| YA# | Description: |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2001/165 #1 | Unidentified woman in dress and hat sitting on step of log building, possibly the Mining Recorder's Office which was also used as the Telegraph Office. She wears a small pin on the bodice. Based on the style of clothing, the date of 1913 is suggested by Susan Stanton, Archivist, City of Edmonton Archives. - ca. 1910-1920. |
| 2001/165 #2 | Possibly the same woman as in #1 in a group shot featuring three woman and two girls about 10 and 8 yrs [?] on porch of log building, possibly the Mining Recorder's Office which was also used as the Telegraph Office (note wires to eaves), at Livingstone Creek. Based on the style of clothing, the date of 1913 is suggested by Susan Stanton, Archivist, City of Edmonton Archives. - ca. 1910-1920. |
| 2001/165 #3 | [Caribou crossing a river] |
