PHO 067

YA#	orig#	Description:
82/446 #1	101-6	[YTG building construction] designated building site - facing north. - 21 Apr 1974.
82/446 #3	101-9	[YTG building construction] designated building site - facing east. - 21 Apr 1974.
82/446 #6	103-5	[YTG building construction] forming of spread footings - facing west. - 28 May 1974.
82/446 #7	103-8	[YTG building construction] forming of spread footings - facing southwest - 28 May 1974.
82/446 #8	103-9	[YTG building construction] engineer establishing and maintaining building levels. - 28 May 1974.
82/446 #9	103-10	[YTG building construction] concrete form ready to receive concrete - 28 May 1974.
82/446 #10	103-11	[YTG building construction] pumping of water due to high water table. - 28 May 1974.
82/446 #11	104-2	[YTG building construction] excavation and foundation work in progress - facing southwest. - 28 May 1974.
82/446 #13	105-6	[YTG building construction] completing foundation work at main entry. - 19 Jul 1974.
82/446 #14	105-8	[YTG building construction] receiving structural steel at building site. - 19 Jul 1974.
82/446 #15	105-9	[YTG building construction] Dominion Bridge supervisory personnel arrive on site. - 19 Jul 1974.
82/446 #16	105-10	[YTG building construction] workmen rigging steel joists. - 19 Jul 1974.
82/446 #18	106-1	[YTG building construction] erection of structural steel in progress - north side of building - 19 Jul 1974.
82/446 #20	106-3	[YTG building construction] erection of structural steel in progress - facing north - 19 Jul 1974.
82/446 #22	106-7	[YTG building construction] unloading structural steel from White Pass truck. - 19 Jul 1974.
82/446 #23	107-1	[YTG building construction] placing steel beams at 3rd level. - 19 Jul 1974.

PHO 067

YA#	orig#	Description:
82/446 #24	108-1	[YTG building construction] typical beam and column connection. - 16 Aug 1974.
82/446 #25	108-2	[YTG building construction] typical "K" bracing, beam and column connection. - 16 Aug 1974.
82/446 #28	108-6	[YTG building construction] typical anchor bolt and base plate detail. - 16 Aug 1974.
82/446 #32	109-10	[YTG building construction] column base plate detail at west entry ramp. - 16 Aug 1974.
82/446 #33	109-11	[YTG building construction] structural steel detail at existing library. - 16 Aug 1974.
82/446 #34	109-12	[YTG building construction] typical structural steel detail - exit stairs. - 16 Aug 1974.
82/446 #38	110-10	[YTG building construction] typical tie-beam detail showing column baseplate - "K" bracing and tie-beam connection. - 16 Aug 1974.
82/446 #39	111-4	[YTG building construction] cement finishers at work. - 16 Sep 1974.
82/446 #40	111-5	[YTG building construction] placing concrete at exterior perimeter walls. - 16 Sep 1974.
82/446 #41	111-8	[YTG building construction] placing concrete at exterior perimeter walls. - 16 Sep 1974.
82/446 #42	111-9	[YTG building construction] forming of perimeter foundation walls. - 16 Sep 1974.
82/446 #44	112-3	[YTG building construction] vibrating of concrete. - 16 Sep 1974.
82/446 #45	112-8	[YTG building construction] placing reinforcing steel at roof. - 16 Sep 1974.
82/446 #46	112-9	[YTG building construction] typical tie beam encased in concrete. - 16 Sep 1974.
82/446 #50	114-8	[YTG building construction] placing of concrete via the concrete pump - at roof level. - 20 Sep 1974.
82/446 #51	114-11	[YTG building construction] concrete pump ready to pump to roof level. - 20 Sep 1974.
82/446 #52	114-12	[YTG building construction] concrete pump. - 20 Sep 1974.
