GOV 1961	f848	Reed Good and Holman Good, Homesteads, Tagish River Title taken from original file title. This file consists of documentation and correspondence pertaining to Reed Good and Holman Good's homesteads on the Tagish River at Marsh Lake (Group lots 140, 139 and 141, Group 804). Due to a concern that the land may be a NWMP hay meadow reserve the file also includes copies of correspondence from 1898-1899. Also included is documentation pertaining to Holman Good's homestead application for land known as Anderson Field (William Alexander Anderson) on Lake Nares. Sketches of the various lands documented are included. Brothers Charles Good and Robert Good are also referenced in the file.
