The streets were paved with gold

1/2" VHS video recording, 1986. Stan Cohen, Pictorial Histories Productions, colour and black and white, sound, 58 min.

The story of the Klondike Gold Rush, tracing the route of the stampedeers who came to Skagway via the Inside Passage, climbed the Chilkoot or White Pass to the shores of Bennett Lake and then floated down the Yukon River to Dawson and the gold fields. Still photography is combined with original 1890's, 1930's film footage and present day footage to outline the events of the Klondike Gold Rush. Also included are riverboat, railroad, mining and dredge scenes and a running narration.

Archives has 1 1/2" VHS master available for viewing.

Subject headings: Klondike Gold Rush -- History
