BRITISH BLOCKADE EXTENDED INCLUDE ALL EUROPE

MANY GERMAN PLANES SHOT DOWN DURING PAST WEEKS AIR ACTIVITIES

LONDON, July 30 - Air activity over Britain to-day was much less than yesterday. Two bombers were brought down in scattered raids over northeast England, Wales and East England.

The official count of the number of German planes shot down in yesterday's battles over Dover was 17. Other sources claim the number was 25.

One small ship was sunk.

During the past seven days, British shipping losses were 11 ships, totalling 27,000 tons. This figure is below the weekly average.

It was announced in the House of Commons that the British blockade has been extended to include the whole of continental Europe & parts of North Africa.

R. A. F. CONTINUE SMASHING ATTACKS.

LONDON, July 29 - The RAF continued its smashing attacks on German oil depots, striking destruction at Cherebourg, St. Nazaire and Nantes, in Nazi-occupied France.

Daily air raids are being made on the Dortmund power station and Dutch airdromes at Schipoland Waalhave.

An enemy supply ship was successfully bombed off the Norwegian coast.

PAMPHLETS OVER ENGLAND

LONDON - German planes dropped thousands of pamphlets over England Thursday night. The pamphlets were a personal message from Hitler to the English people, stating in part that "he (Hitler) had been misunderstood by the English in connection with his recent peace offer and, unless Britain was willing now to call off the war, dire consequences would result."

RUMANIA CEDES TERRITORY

LONDON, July 29 - Following a conference with Hitler and Count Ciano, it is understood the Rumanian statesmen have been ordered to cede territory claimed by Hungary and Bulgaria in order to keep peace in the Balkans. In exchange Rumania hopes to get protection from axis powers against Soviet Russia.

MANY GOING TO BIG STAMPEDE

Everything is in readiness for the big International Sourdough re-union which is being held at Yakima, Wash. this year, on August 15, 16, 17th.

Hundreds of sourdoughs from all parts of the country, are expected to attend and join in the big convention.

Invitations have been extended to many sourdoughs in Alaska and Yukon to make a special effort to come to Yakima for the event. Miss Fairbanks has even suggested that a party of Dawsonites make up a special plane load and fly to the re-union.

GERMANY FORCED TO RELEASE PRISONERS

BERNE, Switzerland, July 29 - To reduce the millions of hungry mouths in the German held portions of France, the German army of occupation is reported to be releasing hundreds of thousands of imprisoned French soldiers and shoving them across the line into French-ruled Territory. How to feed these soldiers is a gigantic problem to the Vichy government, already trying to find sustenance for the Belgian and other refugees.

FROST HITS MAYO

Mayoites with gardens were given a rude surprise when they awoke Thursday morning to find potato vines and flowers blackened by frost. It is unusual to experience such a frost at this time of the year.

According to Joe Lelievre, there was a quarter inch film of ice on a tub of water in front of his house which is about a mile out of town.

The hot weather of July seems to have given way now to cooler days, with considerably more rain than was the case a few weeks ago. There is even a chill in the air of mornings which hints of fall just around the corner. Its hard to realize it, but the summer is certainly speeding away quickly and it won't seem any time now before the fall season is with us again.

Several men have left Mayo this week to go to work for the Company up the hill.

CHURCH SERVICES
RESUMING THIS
SUNDAY

Rev. R. Boyd, Rector of St. Mary's, announces that evening services in St. Mary's will be resumed this coming Sunday at the usual time, 7.45 p. m.

HOSPITAL NOTES

Suffering from injuries to his ribs received while working in the mine, Jack Sullivan, Sr. was brought to the hospital by Johnnie Scott on Thursday.

Herb. Lovdal came in from the Calumet in his car Friday, bringing Jack Cook to the hospital. Jack was stricken with an attack of appendicitis but it was not necessary to operate.

Jimmy Lang came in from Galena Tuesday evening and entered the hospital Wednesday for treatment to an injured foot, sustained while at work.

T. Vicklund and Dick McDiarmid are still in the hospital.

LEAVES FOR HOLIDAY
IN DAWSON

On a combined business and pleasure trip, Dr. Geoff. Homer left for Dawson on the Northbound plane Thursday. Recent arrivals from the Gold City report that Dr. Homer was not in Dawson very long before he was "busy as ever."

Dr. Frank Kells, who is relieving here during Dr. Homer's absence, arrived in Mayo by plane last Saturday.

GEORGE REID IS
REGISTRAR FOR
MAYO

George Reid received the appointment this week as Registrar for Mayo in connection with the forthcoming registration of all residents this month.

Further details re the registration will be published in next week's paper.

CANADA TO BUILD
200 PLANES MONTHLY

OTTAWA, July 29 - The Canadian airplane industry, stepped up to the limit of its capacity, is expected to reach an output of 200 planes monthly within a short time.

To date Britain has already obtained 2800 war planes from the United States, the British Purchasing Commission revealed recently.

MRS. SINC. DUNNETT, Jr. and baby daughter, came in from their home on Galena last Sunday and have been spending the past week in Mayo.

MR. AND MRS. GORDON McINTYRE returned on Wednesday from Haggart Creek where they had been spending the past few weeks holidaying. They report having had a fine time and enjoyed every minute of their trip.

BACK FROM FIVE-MILE LAKE: Mrs. N. Keobke & family and Mrs. Jack Andison and kiddies, moved back to their homes in Mayo last Sunday following their recent outing at Five Mile Lake. The Bacon family returned to their home at the Elsa last week.

MISS LAURA SULLIVAN has been spending the past week visiting friends in Mayo.

GOING TO DAWSON - Frank Buckway, popular T. Y. truck pilot, has left the service of the company and plans on going to Dawson on the next boat. Frank finished up with the company this week.

With Frank's departure the Mayo Ball Club will lose a very efficient manager. Frank has not only devoted his time and energy to the Mayo Ball Club but, during his stay in this camp, has always lent a willing hand to many other community enterprises. His many friends here will be sorry to see Frank leaving but all join in wishing him every success in the Dawson district. Frank plans on taking his car to Dawson with him.

DR. FRANKS HERE - Dr. Monty Franks, genial Yukon dentist, was an incoming passenger on the White Pass plane Friday, from Dawson. He left the same afternoon for the Elsa where he expects to be busy attending the dental needs of the Galenaites for the next week or 10 days when he will then open his dental parlor in Mayo for a short time before returning to his Dawson headquarters. Dr. Franks reports that his partner, Dr. Snider, is well and busy as ever. He was disappointed in not being able to make the Mayo trip this year but sent his best regards along with Monty to all his Mayo friends.

HOME AGAIN - Ed. Kimbel, hustling Mayo lumber king, returned from Dawson on Friday's plane following his recent trip to the Gold City with his second lumber raft of the season.

Although they were held up six times during the river voyage, by sandbars, the big raft reached Dawson last Saturday evening after 12 days on the way.

"It was lots of work," Ed. says, "but we had a fine trip nevertheless."

This makes the second raft of lumber that Ed. and his crew have taken to Dawson this year where there is a ready market for the Mayo lumber. It is understood that Ed. plans on taking additional lumber to Dawson this summer.

LEAVE FOR SOUTH: Mr. and Mrs. George Knutson, of the Elsa, were outgoing passengers on Friday's southbound plane, en route to Vancouver where they will make their future home.

HEADS SOUTH: Gus Ketalla, well known general factotum at Mervyn's Hotel and store these past several years, packed up Friday and left on the White Pass plane, en route to Vancouver. Tom Foley, well-known T.Y. employee at the Calumet, has joined the staff at Mervyn's, succeeding Gus. Gordon McIntyre has signed on temporarily this week as a member of the store staff at Mervyn's.

S. S. KENO ON WAY TO MAYO.

STEWART CITY, Aug 3 - Steamer Keno, with barge Takhini, sailed for Mayo at 6 o'clock this morning. Cargo consists of 104 tons, 62 being diesel oil, balance general merchandise. 36 sacks of mail. A. K. Schellinger, passenger.

ARRIVED MONDAY: Bringing 34 tons of freight, 44 sacks of mail, the Keno docked here 9 a. m. Monday of this week and sailed again 1 a. m. Wednesday, with 157 tons of ore. Outgoing passengers were: H. Radcliffe, for Skagway & Clem Sinyard, for Dawson.

AIR MAIL IN THURSDAY

Pilot Lionel Vines came in from Whitehorse with the Fairchild "XJ" on Thursday, bringing this week's air mail. There were no incoming passengers. From Mayo Pilot Vines went on to Dawson, taking Dr. Homer from here.

Southbound, the White Pass flier returned here from Dawson Friday and continued south with the outgoing air mail. Dr. Monty Franks and Ed. Kimbel were incoming passengers from the Gold City. Enplaning here for the flight south were Mr. and Mrs. George Knudsen and child and Gus Katalla.

BIG BUSH FIRES RAGING ALONG RIVER

According to Purser Fred Dunn of the S.S. Keno another large bush fire is raging along the river near the New Crossing. The blaze extended over a 10-mile strip early this week.

Another heavy bush fire is raging on the opposite side of the Stewart this week near Ole Setter's place. A huge curtain of smoke from the fire is plainly visible from town.

BACK FROM DAWSON

The Burian brothers, Karl, Eric and Rudolph, who piloted Ed. Kimbel's big lumber raft to Dawson, returned in the Kimbel launch Friday from Dawson. Also returning in the launch were: Mr. and Mrs. Rayder Morberg, 2 young men from Dawson, newcomers to this district and Alfred Titus, member of the Kimbel crew who piloted the raft from Stewart City to Dawson. The launch pulled in to the bank here Friday just as the plane landed with Ed. on board.

ARMY OVERSEAS

In an Ottawa dispatch in the July 16 issue of the Vancouver Daily Province announcement is made of the appointment of Major-General G. R. Pearkes to command the 1st. overseas division of the Canadian army. Major-General Pearkes succeeds Lieut-General A. G. L. McNaughton, recently appointed to a high post in the British army.

When the last war broke out General Pearkes was stationed in Yukon as a member of the RCMP. He went overseas shortly after the war started and served with distinction and valor, winning the Victoria Cross at Passchendale. From a buck private he rose in ranks to lieutenant-colonel during the last war.

BALL GAME, DANCE AT SILVER KING TO-NIGHT

Baseball fans and dance fans who were disappointed when the game and dance scheduled for the Silver King two weeks ago was called off, will have the opportunity of making up for lost time to-night.

For everything is ready for a fine time at the Silver King to-night. There will be a ball game between Mayo and the Calumet to be followed by a dance in the old Silver King mess house right after the game. The affair is being sponsored by the Calumet Bombers Community Club, and, as usual, members of the committee have left nothing undone to insure the success of a very enjoyable evening.

Frank Buckway, manager of the Mayo Shamrocks, announced to-day that his players are all set and rearing to go. Cars, taking the players up the hill, will leave town at 6 O'clock to-night and all members of the team are requested to be on hand at that time.

SAILORS WIN AGAINST MAYOITES

Bert Weatherall, manager of the S. S. Keno nine, was a happy man Monday night following the ball game between Mayo and the boat. The reason for Bert's happiness - victory. Fielding a re-vamped lineup the Clipperonians turned in a smart game to outscore the locals by three runs.

Doug Sinclair started on the mound for the Sailors while Neil McLeod went over to first base. Doug made a good job of the flinging duties until the fifth inning when he twisted his ankle sliding home and had to retire from the game. Neil then went in to the box and wound up the 7-inning battle with a fine piece of relief hurling. Gus Carmichael was behind the bat for the Keno in Monday's game and proved himself a first class catcher.

George Aylwin did the hurling for the Mayoites. The game was tightly contested from start to finish. The Kenoites were trailing in the last inning but slammed over a flock of runs in that frame. For a while it looked as if the locals were going to overtake the big lead but the visitors nipped a batting rally on a fine play by second sacker Allen and the boat team emerged winner by three runs. Tom Burns umpired, Joe Walsh kept the score.

George Besner and Neil McLeod were the heavy hitters in Monday's game, each wallop-ing out two homers while Fred Marshall also connected with the old pill for a four-base wallop.

There was a good turnout on hand to watch Monday night's game.
