## BRITISH THRUSTS DELAY ITALIAN DRIVE IN EGYPT

### AERIAL ATTACKS ON BRITAIN ON REDUCED SCALE

LONDON, Oct. 4 - The Admiralty has announced the sinking of seven German submarines & 2 Italian subs. Attacks by enemy U-boats it was pointed out, have been more successful against shipping lately on account of the Nazis being able to use French ports more accessible for striking at British shipping.

### ITALIAN DRIVE DELAYED

LONDON, Oct. 4 - British forces have been striking hard at Italian water supplies in Egypt, causing serious set backs to the Italian preparations for a drive. Many thousands of Australian troops have been arriving steadily to bolster the British army in the East.

### SEE SWING TO BRITAIN'S SIDE

LONDON, Oct. 4 - The members of the Vichy Government are going to all lengths to hold Dakar for the Nazis, wellinformed quarters revealed this week. A state of siege has been placed on Dakar and strong measures are being taken to suppress the legions of French there from joining General DeGaulle's supporters. It is reported that many Frenchmen in Dakar are swinging over to the cause of Free Frenchmen led by DeGaulle.

### YUKON COUNCIL ELECTION NOVEMBER 25. LIQUOR PLEBISCITE REFUSED AT OTTAWA

The election for members of a new Yukon Council will be held on November 25, 1940. The Controller has appointed the following as returning officers: Dawson - E. O. Ellingsen. Whitehorse - L. H. Dennison. Mayo - J. E. Ferrell.

Writs issued by the Territorial Secretary for the election of members in the three electoral districts are dated Oct. 3. Nomination Day is fixed for Oct. 26th., Polling Day for November 25 and Declaration Day for Dec. 9.

No liquor plebiscite will be held in connection with the election as advice has been received by Controller Jeckell that the Governor General in Council has disapproved of the 3 Ordinances passed by the Council re liquor legislation.

## RECRUITING BEGINS IN YUKON

The Miner is in receipt of a short dispatch this week from Capt. George Black, M. P., stating that recruiting has now started in the Yukon.

Mr. Black's letter, dated from Whitehorse, Oct. 1st. reads in part:

"The Officer Commanding R. C. M. P., at Dawson, Inspector Grennan wired me here today that he has been instructed to recruit in Yukon 150 men for the Canadian Army, from Dawson, Mayo and Whitehorse.

The R. C. M. P. at each of those three places are to act as recruiting officers. The civilian doctors at each place will make the medical examinations. The men as enlisted will report to Colonel Beeston at Victoria for further orders."

### MORE MEN LAID OFF AT THE CALUMET

Several more miners were laid off at the Calumet this week while one or two others have quit their jobs to go outside. Most of those affected by this week's layoff left by planes for the outside or Dawson while a few others will be leaving next week. It is understood that a number of married men are replacing some of those who left this week.

### BANK OF MONTREAL NOW IN MERVYN'S HOTEL

Forced out of their fine premises in the bank building by last week's fire, A. T. Hall, and Fraser McNaughton, Manager and Teller respectively of the local branch of the Bank of Montreal, are now carrying on in Room 1 at Mervyn's Hotel. Although the new temporary quarters are somewhat cramped compared to the former premises, the two members of the staff are getting along very nicely pending repairs to the damaged building.

PLANE SOUTH TO-DAY: The White Pass Condor, Pilots Vines & Wood, returned from Dawson today, southbound with the mail. Mrs. Ray Larkin was an incoming passenger for Mayo.

MOOSE HUNTERS  
BACK FROM TRIP

McDonald and Rayder Morberg, the hunters bagged two moose, nearly got another. The trip was made with Ed's powerful gas launch and house boat attached.

En route to Mayo from Galena with a T. Y. truck Monday night, Dick Kimbel bagged two moose at the big lake at the Half Way Road-house.

CAPT. BLACK, M. P.  
WENT NORTH FRIDAY

Captain George Black, M. P. for Yukon, was a through passenger from Whitehorse for Dawson on the White Pass Condor Friday. George had been in Whitehorse in connection with a couple of court cases there; both of which he won. He hopes to be able to spend a few days in Mayo before heading south for the parliamentary session which begins in November.

RIVER QUITE HIGH: Following the persistent rains of last week, the Stewart River was up five feet this week from its season's low of seven feet. Tuesday's level was 12 feet which is unusually high for this time of the year.

Another perfect day greeted the Silverland to-day following a week of more or less wet, foggy weather with little real sunshine. It froze quite hard in Mayo last night.

ALIENS NATURALIZED  
SINCE 1922 MUST  
REGISTER

The Registrar General of Enemy Aliens desires it to be known that the Defence of Canada Regulations now require all persons who have become naturalized British subjects since the first day of September, 1922, who at the time of their naturalization were of German or Italian nationality, or of the nationality of any territory which was under German or Italian control at the outbreak of war, to report for registration without delay to the nearest Registrar of Enemy Aliens. (R. C. M. P. post in Mayo). Notices to this effect have been posted around town.

Persons coming within the scope of this order should clearly understand that this registration is in addition to, and entirely separate from, National Registration.

PERSONALS

Mrs. Sinc. Dunnott, Jr., left by plane on Tuesday, en route to Vancouver where she will spend the next two months. This will be "Mickey's" first trip to the coast. She reports having had a fine trip over to Whitehorse on Tuesday's flight.

Galena lost still another popular couple this week when Mr. and Mrs. George Kazinsky and their two children, left for Dawson on Friday's Northbound plane. George expects to be located in Dawson this winter.

Also leaving this week, en route outside, were Mr. and Mrs. Carl DeClarke and baby, Mrs. John Clifton, Mr. and Mrs. Reg. Bryers and nephew Jackie Bryers; all well known Galenaites affected by the recent shut down.

Other T. Y. employees, recently laid off, left by plane Tuesday, including Miners Tom Gregory, Mike Tymo, Paul Kingek and Nick Kozi as well as J. Chapman, Sterling Paul, Ernie Tisher and Malcolm Dickie. Paul, Tisher and Dickie were all members of the championship Calumet Bombers softball team.

SETTLE IN WHITEHORSE: From Whitehorse comes word that Mr. and Mrs. Ted Richards and baby daughter, are now nicely settled in Whitehorse where Ted has a job in the shipyards and has been working there practically ever since he landed two weeks ago. Mrs. Richards, so we hear, like Whitehorse very much.

MOST EXCITED young man in town to-day was Ray Larkin, popular T. Y. miner at the Calumet. Ray came in Thursday night, along with Louis Kazinsky and took in the farewell dance for Fred Marshall in Pioneer Hall. To-day Ray expected his wife to reach Mayo, by plane, from Dawson. She came up the coast on the last boat but made a trip to the Gold City by plane, before coming on to Mayo. Mr. and Mrs. Larkin will make their home on Galena this winter.

AFTER SPENDING the summer season mining with Harvey Ray on Hight Creek, "Coil Oil" Dick Mercure lifted sail Thursday for the McQuesten to get ready for his trapping operations in that area this winter. "Big Dave" Hagar took Dick to the McQuesten in his power boat. Dick took a big outfit with him, including a brand new battery radio by means of which he hopes to keep up with the fur market this winter.

EARLING RUDE, who has been a member of the Middlecoff crew on Hight this season, came in this week and is taking a hard-earned holiday in town.

**QUICK SERVICE:** Last week Taylor & Drury Ltd. in Whitehorse needed a spare part in a hurry for a Maple Leaf truck. On Friday they sent a wire to General Motors Ltd. in Vancouver. The necessary parts arrived the following evening, Saturday, by Yukon Southern plane. The truck was serviced and in operation Monday morning. Service like that goes a step further in proving the great value of air transportation in the North.

TWENTY MORE  
LEAVE MAYO

Nearly twenty more people left Mayo by plane this week; majority for the outside, a few for Dawson.

On Tuesday the big White Pass Condor made a round trip between Whitehorse and Mayo; arriving here at 10.30 a. m. and leaving an hour later.

Leaving on the Condor Tuesday were: Mr. and Mrs. Carl DeClarke and baby daughter, Mrs. Sinc. Dunnett, Jr., Thos. Gregoary, Mrs. John Clifton, Mike Tymo, Paul Kingek, Nick Kozi, J. Chapman, Sterling Paul, Ernie Tisher, Malcolm Dickie, Mr. and Mrs. R. Byrers and Jackie Lee.

**NEAR RECORD TRIP:** Chief Pilot Lionel Vines, who brought the Condor over Tuesday reports a near record trip coming to Mayo. Aided by a good tailwind the Condor stepped right along and for a while Piolet Vines thought he would reach Mayo within an hour. However he encountered a stiff headwind as he veered into the Stewart Valley and his speed was cut down. As it was the White Pass plane landed here 1 hr. 15 minutes after taking off from the Whitehorse field. Vaughn Wood was co-pilot on the Condor on Tuesday's roundtrip flight.

MAIL, AIRMAIL  
IN FRIDAY

Held up by impossible flying weather Thursday, Pilot Vines flew the Condor back to Mayo Friday on the regular weekly airmail run. Captain Geo. Black, M. P., was a through passenger on the big White Pass ship, for Dawson.

In addition to the airmail the plane brought the first air stage mail of the fall season. This was first and second class matter from the CPR boat which reached Skagway Wednesday.

Enplaning here for the flight to Dawson were Mr. and Mrs. George Kazinsky and two children, George "Doc" Lukovich and Louis Vuckovich.

The Condor, with Pilots Vines and Wood were scheduled to return south, via Mayo, Saturday, taking the outgoing mail.

80 HAVE LEFT MAYO  
CAMP THIS FALL

Including those who left Mayo this week for the outside or Dawson, about 80 people have left Mayo this fall. The big exodus, of course, was occasioned for the most part by the T. Y. shut down on Galena Hill. There are ten or fifteen more Mayoites still to go out yet so, all in all, nearly 100 persons will have left here this fall by the time the last get away.

## "CHUCK" CADDY MARRIED, SEPT.

Says the Star of Sept. 27: On Saturday last (Sept. 21st) Mr. L. Higgins, Territorial Agent here, officiated at the wedding of Miss Anna Horsfall to Mr. Charles Harold "Chuck" Caddy. The happy couple have taken up their residence here and have the best wishes of their friends for their future welfare and prosperity.

ED. NOTE: "Chuck" Caddy, is well known in Mayo District. "Chuck" came here last fall and spent most of the winter in Mayo where he took an active part in the musical life of the silverland, leaving here on one of the overland stages just prior to the break up. Chuck's many Mayo friends join in extending him lots of luck and prosperity. While here Chuck was engaged for a time with the T. Y. Corp'n. on Galena.

## ENTERPRISING SECTY-TREAS. MAYO BALL CLUB, HONOURED AT FAREWELL PARTY

The stage in Pioneer Hall was the scene on Thursday night of a farewell dance in honour of Fred Marshall, hard-working Secty-Treas. of the Mayo Ball Club these past two seasons. Fred is leaving next week for Whitehorse to take up his new duties there with Burns & Co. Ltd. During the absence of George Andison, Fred has been acting manager here this past summer.

Some thirty members of the Mayo Ball Club and friends and fans were in attendance at the party in his honor Thursday night and all enjoyed a most enjoyable time. The evening was devoted to dancing to the P. A. system with old time dances interspersed with modern dance numbers. A delicious lunch was served at midnight following which Mrs. A. McCarter, Vice-President of the Club, in well chosen words, made a presentation to the departing Sect'y. Treas. Fred replied in modest mien, concluding his remarks by saying that "Mayo would always be his home."

In the departure of Fred Marshall from Mayo the athletic clubs of this town are losing a hard-working, enterprising executive. Fred has taken an active part in tennis, badminton, baseball and other community enterprises and, it may be truthfully said, a great part of the success of the Mayo Ball Club during these past two years, has been due to his efforts. It will be hard to find an officer for the Club who will devote more time and effort to his office than he has done.

Thursday night's farewell party was sponsored by the Mayo Ball Club.

During Mr. Andison's absence Fred has proved himself an efficient store manager and his many friends in this district wish him every success in his new field of endeavour.

Although Mayo will lose a live-wire, efficient organizer Whitehorse will gain for no matter where he may go, Fred will always be ready and willing to assist in any community enterprise, always "in there batting" - doing his share and then some. Those present at the farewell party in Fred's honor were: Mr. and Mrs. S. M. Wood, Mr. and Mrs. C. D. Taylor, Mr. and Mrs. Wm. Jeffrey, Jr., Mr. and Mrs. F. Whitney and Miss Nancy Whitney, Mr. and Mrs. R. G. Lee, Mrs. C. A. Boerner, Mr. and Mrs. A. McCarter, Mr. & Mrs. A. Gillespie, Mr. and Mrs. Geo. Aylwin, Mrs. Jack Andison, Miss Dorothy Durie, Miss Mabel Sullivan, Rev. R. J. Boyd, J. D. Gallagher, Thos. Foley, Pete Petiot, J. V. Smith, George Palmer, Louis Kazinsky, Ray Larkin, and, we nearly omitted them, Mr. and Mrs. Gordon McIntyre, and Fred himself.

Several other young couples of Mayo were unable to attend owing to severe colds.

## BADMINTON SEASON UNDER WAY

Members of the Mayo Badminton Club turned out in Pioneer Hall last night to play the first games of the new, fall & winter season. Some twenty Mayoites have declared their intentions of playing this season and more may be added later as the games get under way in full swing. This year the Club has been able to get a substantial reduction in the price of the big Hall for the season and, with much enthusiasm being shown, the Executive is looking forward for a very successful badminton winter.

# CRUCIAL WORLDS SERIES GAME ON SUNDAY

## BRITAIN PREPARES COUNTER MOVES AGAINST NEW JAPANESE, ITALIAN, GERMAN ALLIANCE

LONDON, Tues. Sept. 30 - Great Britain was reported to be preparing a threefold answer to the new triple alliance uniting Japan with the axis powers. This would be the reopening of the Burma road, allowing more supplies for China, the conclusion of a new Pacific defence arrangement with Australia and the United States and increase of Dominion goods and essential raw materials from Japan to Great Britain and the United States.

Japan's threat to enter the war on the side of her new partners met a prompt British warning that Britain is stelled in war experience and in a different mood from a year ago.

President Roosevelt has already declared an embargo from the United States of vital scrap iron for Japan and is further speeding up all vital defences.

## LARGE SCALE ATTACKS AGAINST BRITAIN MONDAY

LONDON, Mon. Sept. 30 - Large scale daylight attacks on Britain were resumed today after a comparative week-end lull. So far no official figures have been released.

Last night's attacks were heavier than usual and the Merseyside area was raided continually throughout the night and many fires were started.

The Royal Air Force ranged over wide areas in Germany last night. Military objectives in Stuttgart and Magdeburg were subjected to concentrated attacks. The Bosch magneto factory was successfully attacked.

British long-range guns pounded against Calais today and the German artillery replied by dropping shells into Dover.

On Sunday 10 enemy planes were destroyed and only 4 British ships lost.

## SEATTLE-JUNEAU CLIPPER SERVICE TO OPERATE DURING WINTER MONTHS

SEATTLE - In response to requests from the government and civic organizations in the Territory of Alaska, as well as from business firms and shippers on the Pacific Coast, Pan American Airways are making preparations to extend provisional service between Seattle and Juneau, originally scheduled to be discontinued Oct. 15th. for the winter months.

The Alaska Clipper Service was started in June and has proved so popular with Alaskans that they do not want to see it stopped during the winter months.

## MAN VANISHES MYSTERIOUSLY FROM YUKON RIVER BOAT

FAIRBANKS - Mystery veils the disappearance of a man passenger from the steamer Alice, a craft of the Alaska Railroad that plies the Tanana and lower Yukon rivers. The name of the man, who got on at Nenana, has not been ascertained. His absence was noticed when the steamer reached Redlands.

DETROIT TIGERS	2	2	.500

Blasting their way to the finals of the hottest American League race in recent years, Detroit Tigers faced the National League's to-ranking Cincinnati Reds in the Worlds Series which started Tuesday, in Cincinnati.

An unknown rookie, Floyd Giebell, who had only played two games for Detroit, set the hard slugging Cleveland Indians down to 6 hits, allowing them no runs, to win the American League pennant 2-0 against Bobby Feller, ace Cleveland hurler.

Detroit took the opener against the Cincinnati Reds Tuesday but lost to the Reds Wednesday 5-3 when Bucky Walters handcuffed the Detroit sluggers. The Redbirds blasted Schoolboy Rowe from the Detroit box in the 4th.

The motor city team came right back to take the lead Friday, only to lose it again to-day to Big Paul Derringer, ace hurler for the National Leaguers. The score in to-day's game was 5-2.

The fifth and crucial game of the series will be played at Briggs Stadium, Detroit, Sunday, Oct. 6th. when the two teams then move back to the Tribe's home field to finish the series.

Perfect baseball weather, with the temperature 75 degrees above, favoured to-day's game in Detroit.

## DAWSON ITEMS

A baby girl was born at St. Mary's Hospital Sunday last to Mr. and Mrs. Howard W. Firth.

A baby girl was born at the hospital on Thursday to Mr. and Mrs. J. H. Hadley of Quartz Creek.

Art Southam, who left Dawson early in spring, has now received his wings. Tommy Caulkin, another well known Dawson lad, has just about completed his training as a pilot in the RCAF.

Mrs. E. E. Carswell was injured in a car accident Friday morning when the automobile in which she, her husband and two others were riding, went over the bank at Bear Creek bluff. She sustained a broken collarbone.

Mrs. Yvonne Moi, of Dawson, and Al. Bates, an employee of the Yukon Consolidated at Middle Sulphur, were married by Inspector Grennan, RCMP., this week. They will make their home in Dawson.

Mrs. Moi is the daughter of Mr. and Mrs. F. Besner, of Mayo, Y. T.
