## **SPEAKER'S STATEMENT**

### **Personalizing debate**

Prior to proceeding with the Oral Question Period, the Speaker made the following statement regarding personalizing debate.

"Prior to proceeding to Question Period, the Chair will make a statement in light of events that occurred yesterday during debate on Motion #332. During the debate, members raised Points of Order and the Chair, at times, intervened on his own initiative. A variety of procedural concerns were raised.

The Chair is particularly concerned about negative personal comments made during the debate. The Chair will not repeat the comments in question or analyze each comment individually. What the Chair will say is that the issues raised during proceedings in this House are important to Yukoners. Members owe it to their constituents – and all Yukoners – to focus their remarks on those important issues.

As we saw yesterday, negative, overly personal comments lead to disorder. This does not assist the House in reaching a decision on the business before it and does a disservice to the people who elected us to conduct that business. The Chair would ask members to keep that in mind when addressing the House."

## **ORAL QUESTION PERIOD**

The House conducted the Oral Question Period from 1:25 p.m. to 1:56 p.m.

The Clerk of the Assembly then read the titles of the bills which had been passed severally as follows:
