| [7]   | A New Folder Map<br>W FAKE pleasure in calling the attention of our Patrons to the new map on the reverse side of this Folder, issued and copyrighted by the Pacific Coast Steamship Co., which is unquestionably the most complete, comprehensive, and accurate Folder Map of the Pacific Coast ever published. It embraces the Pacific Coast ever published. It embraces the Pacific Coast erritory from Mexico to Alaska inclusive. The map is 16 by 35 inches, and lithographed in colors. It was engraved by Messrs, Poole Bros., Engravers, Chicago, and printed by Messrs, Poole Bros., Engravers, Chicago, and printed by Messrs, Poole Bros, Engravers, Chicago, and printed by Messrs, Poole Bros, Jight-houses, bays, etc., having been taken from the latest United States Coast Survey charts. By reference to the section of the map showing southeastern Alaska, the intricate and difficult character of the navigation of that route will be appreciated and more fully so after making the voyage. The Company's various routes are shown in red (broken) lines. This map being up to date and compiled by the best authorities will be appreciated, and can be had for the asking, and will be forwarded by mail on receipt of the postage, four cents. Then who would not like to make a trip to Mexico. The steamer makes one trip each month; and takes nearly three weeks. She calls at a number of ports, as you will notice by reference to the schedule. Anyone who wishes to spend three weeks for health or pleasure could not do better than make this round trip, or if not the round trip go down to Guaymas by steamer and return thence by rail.
