TESLIN ROADS

Winter has arrived and our Village Roads are in winter driving conditions so please drive cautiously.

ASSET MANAGEMENT

Our Asset registers are now complete and Council has passed an asset policy we are now drafting an asset management plan for all our asset categories.

SOLID WASTE FACILITY (LANDFILL)

To comply with our new waste management permit, we have done some upgrades to our transfer station these upgrades also make it more user-friendly. The new bylaw has been passed by Council and the new fees will come into effect January 2017. Curbside Collection fees will increase to \$ 25.00 per month for residential and \$50.00 per month for commercial if commercial customers need more than two pickups in a week the charge will be \$30.00 per extra collection. . The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful on what is being flushed down the system.

WATER QUALITY/ WATER DELIVERY

The new Water Treatment Plant (WTP) is in good working condition.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that tank whistles are in good working order and lids closed to help avoid water overflow.

Please keep your driveway accessible for the water truck.

Our new water truck has arrived, is in service and we are happy with the purchase.

DOG CONTROL

We have received some reports on aggressive dogs please be cautious and to all dog owners please ensure your pets are secure on your property. We take these reports very serious and are actively pursuing loose dogs and ensuring that aggressive dogs are secure at all times. If you have stray dogs wandering on your property, please call the Village office.

The Yukon Government has announced a new community dog spay program which began Aug. 1st, the project will provide \$ 250.00 per spay surgery of one female dog, per dog owner in rural communities. Teslin Tlingit Council and Village of Teslin have created a program to enhance the YG program by assisting residents with neutering male dogs. The joint Councils will provide up to \$ 250.00 to residents of Teslin for one male dog. Please call the Village office for more information and to make arrangements to use this program.

RECREATION BUILDINGS

Our Recreation buildings are ready for the winter season. Hockey, public skating and curling are all scheduled throughout the week; see the recreation calendar for dates and times.

OTHER

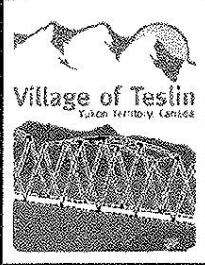

We had another great turnout at our 13th Annual Christmas lighting contest and Hay ride, thank you to everyone who participated.

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Happy New Year,

Shelley Hassard, CAO

Cole Hunking, Public Works foreman

How does a mop head end up in the sewer system?

"You'd be surprised what gets down there.. You would be amazed what comes through the sewer!"

When materials that are not meant to be handled by the system get into the sewer, it causes problems. The grinder pump chops up the material coming through the system, but when a non-flushable item come through, it can causes an overload or clogs the grinder rings.

Don't Flush Trouble

Medicine

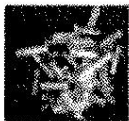

Wet Wipes

Feminine Products

Condoms

Cigarette Butts

Clothing

Hair

Cat Litter

These items belong in the trash can. The label might say "flushable" but disposable wipes and other products are clogging sewer pipes, and damaging pumps and aerators.

Community Dog Spay Project

This new project will take **\$250** off the vet bill for the **spay surgery** of one female dog per owner who lives in a **rural community**

Starts August 1, 2016

First come, first served (limit of 115 dogs per year)

December 2016 Recreation Report

The holiday season has come and passed and I hope everyone had a safe and happy Christmas. December was full of special events. We had the Seniors Christmas Dinner, the 13th annual Christmas lights contest and hayride, a Holiday Fun Day and special free skates on Christmas Eve and New Year's Eve.

Archery was put on hold for the month of December but will start up again in January. After School Sports will resume the normal schedule in the new year as well.

On the 21st there was a Holiday Fun Day, were the kids got to play games on the ice and make some Christmas crafts. They really enjoyed musical chairs on ice! It was great to see so many people come out for some yummy food and a fun time!

Boot camp is still happening. We took a short break over the holidays, but as of January 3rd it will run from 6 to 7 every Wednesday for 6 weeks.

January 9th will kick off the Just Do It challenge, get a partner, set some goals, get active and healthy watch for advertisements, it will run for 8 weeks.

The Seniors Dinner was on December 8th, there was a great turn out and a huge thank you to everyone who helped make the night possible. The food, music, and special guest made it a truly magical evening.

The 13th annual Christmas light contest and hayride was, as always, a fun time. A big thank you to everyone who participated and helped to make the evening possible.

Born to Fly Girls group is going well. We will have a special spa night in the new year, as well as a self-defence class for the girls.

*News and Highlights
from your
Recreation
Programmer*

Youth Club is alive and kicking! The teens enjoy having a place to hang out, and are currently trying to come up with fundraising ideas so they can buy youth club some iPads! Keep an eye out for the fundraisers!

Yoga is still every Tuesday from 5:15 to 6:15 in the mezzanine. It is great to see such a steady turnout, but we always have room for any newcomers who want to try it out.

Free skate is every Wednesday and Friday from 12:00 to 1:00 and every Saturday from 3:00 to 5:00. We held a special free skate on December 24th and December 31st. It was great to see so many people come out to enjoy the ice, hot chocolate, and snacks.

Badminton is every Thursday from 7:00 to 9:00. It is a wonderful workout and I highly recommend it to everyone.

As always keep an eye out for the new and exciting events we will have in January!

The Teslin Training Fund

In the fall of 2016, the Teslin Training Fund (TTF) was established for Teslin area residents to support training that maintains or increases employment opportunities and prepares community members for potential employment.

The TTF provides funding for employment training to:

- Individuals to support specific employment training needs;
- Teslin based organizations engaged in employment training that benefits the community.

Individual or groups can apply for up to 75% of course costs for employment related training such as tuition, books, and travel. Individual applicants must be Teslin residents, or live in Teslin Tlingit Council Traditional Territory within the Yukon Territory, who have been a resident in for one year prior to the application funding deadline date. Applicants must be Canadian residents. Group applications from Teslin-based organizations are also accepted.

There are four intakes over the year with funding deadlines on the second Thursday of February, April, August, and November. Applicants are encouraged to apply in advance of training and the applications. However, to allow for courses that fall between intakes, applicants can apply to the next available deadline after the training.

For example: An opportunity came up to take training in May. The April deadline has already passed but the applicant may make application to the next deadline which is August. If an applicant submits that same application in November, the application would be denied as it should have been submitted in August.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and an ability to meet fund criteria. The VOT, TTC, DDC, and Teslin campus also have representatives on the committee. The committee is still looking for a Member-at-large. Please contact the Village of Teslin if you are interested in applying to sit on the committee.

The TTF is funded by the Yukon Government Department of Education and is administered by the Village of Teslin. Funding guidelines and application forms are available at the Village of Teslin and the Teslin campus of Yukon College.
