Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

TESLIN ROADS

Winter has arrived and our Village Roads are in winter driving conditions so please drive cautiously.

ASSET MANAGEMENT

Our Asset registers are now complete and Council has passed an asset policy we are now drafting an asset management plan for all our asset categories and creating an asset management framework

SOLID WASTE FACILITY (LANDFILL)

To comply with our new waste management permit, we have done some upgrades to our transfer station these upgrades also make it more user-friendly. The new bylaw has been passed by Council and the new fees will come into effect January 2017. Curbside Collection fees will increase to \$ 25.00 per month for residential and \$50.00 per month for commercial if commercial customers need more than two pickups in a week the charge will be \$30.00 per extra collection. . The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful on what is being flushed down the system.

WATER QUALITY/ WATER DELIVERY

The new Water Treatment Plant (WTP) is in good working condition and we are planning some regular maintenance for the summer months

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Please keep your driveway accessible for the water truck.

Our new water truck has arrived, is in service and we are happy with the purchase.

DOG CONTROL

We have received some complaints and concerns about dogs running at large. Please ensure your pets are secure on your property. We take these reports very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

The Yukon Government has announced a new community dog spay program which began Aug. 1st, the project will provide \$ 250.00 per spay surgery of one female dog, per dog owner in rural communities. Teslin Tlingit Council and Village of Teslin have created a program to enhance the YG program by assisting residents with neutering male dogs. The joint Councils will provide up to \$ 250.00 to residents of Teslin for one male dog. Please call the Village office for more information and to make arrangements to use this program.

RECREATION BUILDINGS

Our Recreation buildings are ready for the winter season. Hockey, public skating and curling are all scheduled throughout the week; see the recreation calendar for dates and times. We are busy planning for building upgrades at the recreation complex, watch for public consultation meetings.

OTHER

It's that time of year again where we are planning projects and preparing budgets for 2017.

Our auditor will be here during the week of Feb. 20th to finalize 2016 year end.

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Shelley Hassard, CAO

Cole Hunking, Public Works foreman

Teslin Landfill Notice

Deposit uncontrolled waste at landfill	\$500

The Teslin Training Fund

In the fall of 2016, the Teslin Training Fund (TTF) was established for Teslin area residents to support training that maintains or increases employment opportunities and prepares community members for potential employment.

The TTF provides funding for employment training to:

- Individuals to support specific employment training needs;
- Teslin based organizations engaged in employment training that benefits the community.

Individual or groups can apply for up to 75% of course costs for employment related training such as tuition, books, and travel. Individual applicants must be Teslin residents, or live in Teslin Tlingit Council Traditional Territory within the Yukon Territory, who have been a resident in for one year prior to the application funding deadline date. Applicants must be Canadian residents. Group applications from Teslin-based organizations are also accepted.

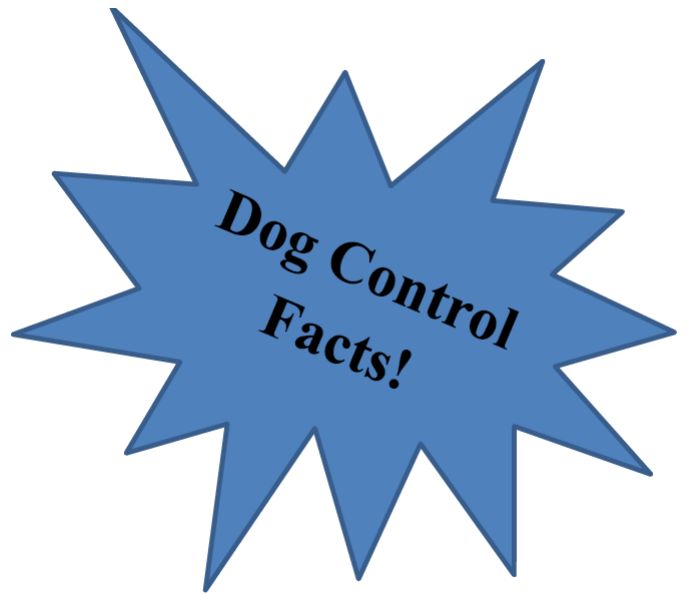

There are four intakes over the year with funding deadlines on the second Thursday of February, April, August, and November. Applicants are encouraged to apply in advance of training and the applications. However, to allow for courses that fall between intakes, applicants can apply to the next available deadline after the training.

For example: An opportunity came up to take training in May. The April deadline has already passed but the applicant may make application to the next deadline which is August. If an applicant submits that same application in November, the application would be denied as it should have been submitted in August.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and an ability to meet fund criteria. The VOT, TTC, DDC, and Teslin campus also have representatives on the committee. The committee is still looking for a Member-at-large. Please contact the Village of Teslin if you are interested in applying to sit on the committee.

The TTF is funded by the Yukon Government Department of Education and is administered by the Village of Teslin. Funding guidelines and application forms are available at the Village of Teslin and the Teslin campus of Yukon College.

All dogs must be licensed with the Village Of Teslin. There are two programs sponsored by YG & TTC/VOT to assist dog owners with the vet bill to have your dog spayed or neutered. Dogs running at large (off their property & not with the owner) will be picked up by the Village of Teslin. We only hold dogs in our pound for 3 business days after that the dog will be relocated or re-homed.

Pound Fees

Licensed Dog – First offense \$75.00

Unlicensed Dog- First offense \$100.00 plus the purchase of a license \$80.00

Cost of License

Not spayed or neutered - \$80.00

Spayed or neutered -FREE

Please Note

Citizens can catch & hold any dog that is running at large & turn the dog over to the Village Of Teslin

For more information please contact the Village Of Teslin

Phone: 867-390-2530

Teslin Home Concerts

2016-2017

What are home concerts?

The home concert series is organized by Home Routes, based in Winnipeg. They send musicians to people's homes all over Canada. This year's Aurora Trail series will see 6 talented musicians/groups in Northern BC and Yukon, including Teslin!

Save the Dates

The Teslin shows are:

Sun Sept 18	Twin Peaks - BC
Tues Oct 18	Tim Hus - AB
Wed Nov 16	Anne Lederman & Ian Bell - ON
Thurs Feb 2	Carly Dow - MB
Fri Mar 3	Jason Fowler - ON
Sat Apr 1	Fiddle & Banjo - MB/ON

Additional Info

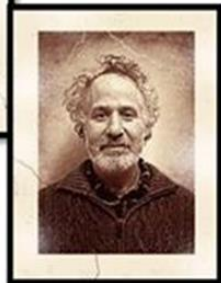

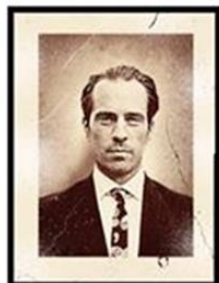

Additional information will be sent out before each concert.

Cost of tickets will be \$20 per person or \$102 for a season pass (6 concerts). Children 12 and under are free.

Wanna host a concert?

Contact Jen Clark for additional information.

Call 390-2553, text 332-4736, email manyjennies@gmail.com.

January 2017 Recreation Report

Happy New Year everyone!

Archery has started up again every Wednesday with Sam, the kids are excited about being able to practice again. Kids in the Kitchen is going really well, the kids are enjoying learning new recipes that they can take home and try on their own.

On January 14th we took 15 children aged 6 to 15 to Mount Sima for a day of skiing and snowboarding. Each child had an hour long lesson and then were free to enjoy the hill as they pleased. Everyone had a ton of fun and was immediately asking when they could go again. Thank you to all the volunteers who helped chaperone the trip.

Girls club had a special spa night this month, a big thank you to Mary for doing the girl's nails. They are currently working on vision boards, we may see some business owners and medical students in our future.

Trish Pettitt came out from Whitehorse to put it on a power skate clinic on January 22nd. All the children who came received excellent training that will improve their skating.

There was a wonderful concert on January 18th at the Heritage Center. Big thanks to Melaina and Music Yukon for hosting it. There will be another one in February so keep an eye out for posters!

Seniors Social is still every Wednesday from 10:00 to 11:30. It is now being held at the senior's complex. Thanks to Jodie, there is now a Mom's Walking Group every Wednesday from 10:00 to 12:00 in the rec center. Moms bring your kids and do a couple laps around the rec center!

Public Skate is every Wednesday and Friday from 12:00 to 1:00, and every Saturday from 3:00 to 5:00. It is great to see more and more people coming out to enjoy the ice!

*News and Highlights
from your
Recreation
Programmer*

TESLIN

We now have badminton two nights a week! It is every Tuesday and Thursday from 7:00 to 9:00. We have the rackets you just need to bring yourself! Yoga is going strong every Tuesday from 5:15 to 6:15. Come out, stretch, and relax! Boot camp is as popular as ever! It is every Wednesday from 6:00 to 7:00 in the mezzanine. Come out and try this amazing work out! We have started our Just Do It Challenge and I am happy to report that so far Teslin has lost 20.2 pounds!! Keep up the good work everyone! As always keep your eyes open for new and exciting programming starting in February. If you have any ideas or suggestions for programming come see me or send me an email, I'm always looking for new ideas!

Recipes

CROCK POT MOOSE ROAST

3 to 4 pound moose roast

3 cups apple juice

1 packet homemade dry onion soup mix

1 tsp homemade garlic powder

1 tsp homemade onion powder

Instructions

Heat some oil in a heavy skillet and brown the roast on all sides in the hot oil. Spray the slow cooker crock with vegetable oil and add the browned moose roast. Sprinkle the seasonings over the roast and add the juice.

Cover and cook on high for 4 to 6 hours, or on low for 8 to 10 hours. Thicken juice for gravy.
