TESLIN ROADS

As spring continues and the ice softens on the road we will be winging the shoulders back.

ASSET MANAGEMENT

Our Asset registers are now complete and Council has passed an asset policy we are now drafting an asset management plan for all our asset categories and creating an asset management framework

SOLID WASTE FACILITY (LANDFILL)

To comply with our new waste management permit, we have done some upgrades to our transfer station these upgrades also make it more user-friendly. The new bylaw has been passed by Council and the new fees will come into effect January 2017. Curbside Collection fees will increase to \$ 25.00 per month for residential and \$50.00 per month for commercial if commercial customers need more than two pickups in a week the charge will be \$30.00 per extra collection. . The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful on what is being flushed down the system.

This year we are experiencing more sewer freeze ups then normal if you are leaving your residence vacant for an extended period of time please have someone check your residence once in a while and run some water down the sewer system.

WATER QUALITY/ WATER DELIVERY

The new Water Treatment Plant (WTP) is in good working condition and we are planning some regular maintenance for the summer months

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Please keep your driveway accessible for the water truck.

Our new water truck has arrived, is in service and we are happy with the purchase.

DOG CONTROL

We have received some complaints and concerns about dogs running at large. Please ensure your pets are secure on your property. We take these reports very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

The Yukon Government has announced a new community dog spay program which began Aug. 1st, the project will provide \$ 250.00 per spay surgery of one female dog, per dog owner in rural communities. Teslin Tlingit Council and Village of Teslin have created a program to enhance the YG program by assisting residents with neutering male dogs. The joint Councils will provide up to \$ 250.00 to residents of Teslin for one male dog. Please call the Village office for more information and to make arrangements to use this program.

RECREATION BUILDINGS

Our Recreation buildings are ready for the winter season. Hockey and public skating are all scheduled throughout the week; see the recreation calendar for dates and times. We are busy planning for building upgrades at the recreation complex, watch for public consultation meetings. As the weather warms we will start to schedule ice removal from curling rink and hockey arena.

Mini-Rendezvous is scheduled for March 10-12th.

OTHER

It's that time of year again where we are planning projects and preparing budgets for 2017.

Our auditor was here during the week of Feb. 20th to finalize 2016 year end. We can expect financial statements to be prepared and presented to Council for approval in April/May.

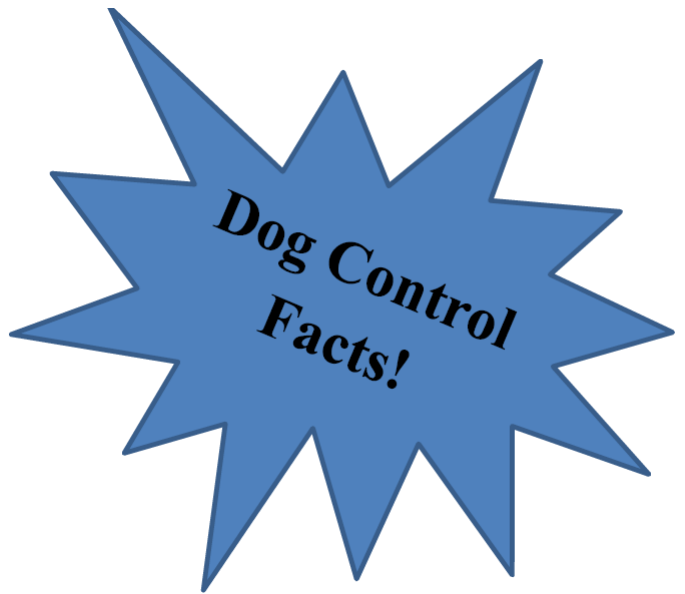

As spring weather arrives we will be out and about steaming culverts.

Service rates bylaw is being reviewed and we are considering reducing rates and creating new packages for the exercise room.

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Shelley Hassard, CAO

Cole Hunking, Public Works foreman

All dogs must be licensed with the Village Of Teslin. There are two programs sponsored by YG & TTC/VOT to assist dog owners with the vet bill to have your dog spayed or neutered. Dogs running at large (off their property & not with the owner) will be picked up by the Village of Teslin. We only hold dogs in our pound for 3 business days after that the dog will be relocated or re-homed.

Pound Fees

Licensed Dog – First offense \$75.00

Unlicensed Dog- First offense \$100.00 plus the purchase of a license \$80.00

Cost of License

Not spayed or neutered - \$80.00

Spayed or neutered -FREE

Please Note

Citizens can catch & hold any dog that is running at large & turn the dog over to the Village Of Teslin

February 2017 Recreation Report

*News and Highlights
from your
Recreation
Programmer*

I hope everyone had a safe and happy Valentine's Day and Rendezvous! February was a great month we had some really amazing events this month and started some really great programming.

The girls in the Born to Fly group did an absolutely wonderful job with the Valentine's Day Tea on February 11th. They did all of the baking, set up, and take down. They were very proud of their work and couldn't wait to show it off to everyone who came.

The Born to Fly group has been busy this month. Between planning the tea and making all the decorations and food, they also had a brainstorm session to see where they wanted the group to go.

I am happy to say that we have started a boys club! The boys club runs every Sunday from 2:00 to 4:30. They hit the ground running, and kicked things off with a movie night followed by an afternoon of making bird houses. They have also went on an afternoon hike where the boys learnt how to make a fire.

Kids in the Kitchen is going very well. It is great to see the kids become more comfortable in the kitchen and want to try the recipes at home with their parents. Archery with Sam is something the kids always look forward to and it is great to see how much the kids enjoy learning from Sam. Seniors Social is still every Wednesday from 10:00 to 11:30 at the seniors' complex.

Public Skate is every Wednesday and Friday during the noon hour and every Saturday from 3:00 to 5:00. It is great to see more and more people coming out!

Badminton is two nights a week, every Tuesday and Thursday from 7:00 to 9:00. Tuesday badminton is for people over 18 only.

Yoga is amazing as always! Come out on Tuesdays from 5:15 to 6:15 to enjoy a relaxing stretch.

Bootcamp is going strong! It is every Wednesday from 6:00 to 7:00 and has been extended into March!

Our Just Do It Challenge is almost over! I am exceedingly proud of all the participants who have worked so hard to achieve their goals!

As always keep your eyes open for new and exciting programming in March! Mini Rendezvous is March 10-12th watch for posters and schedule of events. Spring break activities for youth will be advertised soon. I am working with the TTC to provide a week and half of programming. If you have any ideas or suggestions for programming come see me or send me an email. I'm always looking for new ideas!
