COMMUNITY EVENTS

Community Hayride was held on December 13th the weather cooperated which contributed to the amazing turnout for the evening! The lighting contest was also successful and we gave away 5 prizes.

TESLIN ROADS

Roads are in winter driving condition.

SOLID WASTE FACILITY (LANDFILL)

The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

The bin system is ready to go! Construction waste, metal, and appliance areas of the landfill will be closed to the public and the public will drop these waste streams into designated bins that are setup near the household waste bin. Arrangements can be made with the Village office for commercial vehicles to continue have access to the designated areas.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful on what is being flushed down the system. Cleaning and inspecting of the sewer lines has begun is complete and we are reviewing all inspection videos and will be planning scheduled maintenance repairs for next season.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

We have trained more staff on our water truck and delivery system so we have a few backup operators to help ensure our delivery system operates smoothly.

With the changing weather please keep your driveway accessible for the water truck.

The water truck broke down during deliveries on Boxing Day and has been sent to Inland Kenworth for repair. We are using the old water truck until the new one is repaired and returned to Teslin.

Administration Report December 2017

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

RECREATION BUILDINGS

Winter programming is in full swing check out the recreation calendar. Regular programming took a break during the holidays but will be in full swing again once the holidays are over.

If you would like to register for Adult hockey please call the Village office.

Due to low usage of the curling rink we will not be installing ice this fall, we would consider installing ice after December if there is interest in curling.

PROJECTS

The light replacement project is now complete, the recreation center, arena and municipal center lights have been replaced with high efficient lights.

The drainage project began this fall and will continue over the next few months.

We are designing a new webpage and it should be up and running next month.

STAFFING

We are presently down one permanent staff; advertising for this position will be out in early January.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Marina is closed for the season.

Year end is fast approaching our auditors will be here in February so next month we will be busy preparing for their arrival.

Work on the 2018 budget has begun and will be presented to Council in February.

December 2017 Recreation Report

I hope everyone had a safe and happy holiday season! December sure was a busy and eventful month!

We kicked off the month by starting free skates every Monday and Thursday from 12:00 to 1:00 and every Sunday from 2:00 to 4:00. For the rest of the season we will have free skates Monday through Friday from 12:00 to 1:00 (excluding holidays) and Sundays from 2:00 to 4:00. We have skates and helmets for public use if you don't have your own. Talk to Cole or Jordan if you need your skates sharpened!

We had the annual Seniors Christmas Dinner on December 7th. Big thanks to all of our sponsors and volunteers who made the night possible. It was great to see so many seniors and elders gathered together celebrating the holiday season. There was great food, lot of laughs, and amazing music. A special thanks to Santa for stopping in to see the elders and seniors and spreading the Christmas cheer!

The annual Christmas Hay Ride and Christmas Lights Contest were on December 13th. It was great to see so many people showing off their creativity through decorating their houses with lights, blow ups, and even fire works! It was a fun night full of Christmas carols, laughter, and good times. Thank you to the judges and everyone who voted for their favorite display of lights. Congratulations to the winners!

Girls club is still every Friday from 6:00 to 8:00. This month the girls enjoyed activities such as a Christmas Party where they decorated gingerbread cookies, a spa night where they got their nails done, and of course lots of hide and seek!

Youth club is every Friday from 8:00 to 10:30. The youth had a fun month of games, Christmas activities, and movie nights. They enjoyed a special holiday youth club where they watched Christmas movies, played games, and made Christmas crafts.

December 2017 Recreation Report

After school sports took a break during the holiday break. However, before the lull in school, the kids really started to explore in the kitchen with new and more complex recipes. It is great to see the kids becoming more confident in the kitchen.

We had a special after school sports on the 21st with Mia Lee from RPAY. Kids aged 10 and up had an afternoon of fun team building activities, such as having to sing Christmas carols, build a human pyramid, and skip to the Health Centre from the RCMP station. Thank you to everyone in the community who helped the kids by giving out the clues and taking part in the fun!

Boys club had a very special Christmas feast this month. The boys had the chance to show off their cooking skills and favorite family recipes by bringing a dish to the feast. They also enjoyed a night of Christmas movies!

Volleyball is every Tuesday from 7:00 to 9:00 at the school. Volleyball will start again on January 9th!

We will begin our Health Challenge (Just Do It) on January 8th! Be sure to sign up for fun, weight loss, and a new healthy lifestyle!! The challenge will run from January 8th to April 9th. We will kick off the challenge with a nutrition workshop by Jill Kay on the 8th and bootcamp with Lee on the 9th!

As always keep an eye out for new and exciting programming.

Home for Christmas

Tyson the cat is on his way home after an extended stay in Teslin and short stay at the VOT Shop.

The cat's owners live in New Mexico and were very surprised to learn he's alive.

A few weeks ago, Tyson the cat was trapped by Ben Schonewille. The cat had been living on the Sawmill Road. Ben brought him to the VOT Office, where the staff nursed him back to health.

Once healthy enough to make the trip to Whitehorse, the cat was taken to a vet who found an implanted microchip, that revealed the owners and a way to contact them.

Playful at the VOT Office

Village staff searched the owners' name on the internet and found their social media account and verified if they are the cat's owner.

It turns out they live very far.

The story is that they're US Military and they were traveling from Fairbanks to their new posting in New Mexico. They stopped overnight at the Yukon Motel, RV Park in Teslin about the second week of July and the cat got away. He'd been living in his own for about six months through fall/winter.

Stacey Hassard offered to bring the cat in town when arrangements were made with the owners. He put Tyson on a Air North plane last December 8th, and the owners flew in from New Mexico to Vancouver and picked him up.

Tyson feeling comfy on the couch in New Mexico.

Teslin Landfill Notice

Hours of operation

Thursday & Friday 12:00 PM – 5:30 PM Saturday 10:00 AM – 4:30 PM
Sun-Wed CLOSED

The Teslin landfill only accepts these items on a regular basis.

Starting September 28, 2017, the Village of Teslin is implementing a new bin system at the Teslin transfer station. This system will help us meet our permit requirements by; keeping materials sorted, being able to track volumes of each waste stream, improve safety and predict upcoming costs.

Construction waste, metal, and appliance areas of the landfill will be closed to the public and the public will drop these waste streams into designated bins that are set up near the household waste bins. Arrangements can be made with the Village office for commercial vehicles to continue to have access to the designated areas.

- **Household Garbage**
- **Clean Metal** – Metal products by themselves with **NO** other products attached, rubber, wood, plastic, etc.
- **Cars**– **NO** fluids and **NO** tires otherwise a handling fee will be charged
- **Tires** - Tires on rims will be charged a sorting and handling fee of \$10.00

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.

Seeking Members

The Teslin Campus Community Campus Committee (CCC) is currently seeking members.

What is the CCC?

The CCC is a group of community volunteers who work with the Campus Coordinator and the College's Board of Governors (BOG) on the community's interests and needs in post-secondary education in Teslin.

What is the commitment?

The CCC meets approximately once every two to three months between September and June for about an hour. There is the occasional public meeting and other functions. Great opportunity to provide your input to your local campus.

Welcome to Unfurled!

This event was created for you, the trappers and fur-sewing crafters. The main goal is to sell fur and fur products at Unfurled at the Kwanlin Dun Cultural Centre in Whitehorse, March 9-10-11, 2018.

We hope this event will help create a new local fur market. We want to see more Yukoners buying fur, wearing fur, trapping and crafting, and we want you to sell your goods at a good price!

You're invited:

There is no registration fee, but there is a deposit of \$50 that will be **returned/refunded at the event**. This is to ensure our spaces are filled in advance and we can estimate the goods that will be available for sale.

Register before December 1st, 2017 and receive an Early Bird Bonus!

Please fill in and return the form on the next page by:

- email: lisapreto@gmail.com
- mail: Lisa Preto, Box 5593, Haines Junction Yukon, Y0B 1L0
- dropping off at the Yukon Trapper's Association

Registration is open till the event begins, but after February 1, 2018, 20% (\$10) of the deposit will be kept as a late registration fee.

Feel free to copy and share this registration form with other trappers and crafters you know.

Sincerely,
Lisa Preto

Trappers:

We are looking for tanned and untanned furs to be sold. We are creating a chart of price ranges by species to ensure good and consistent prices for trappers- you can price your furs in that range (damaged furs can be lower). They will be higher than auction prices.

There are auction receiving dates in mid April and early May, so if you wish to leave hides untanned, unsold furs can still be sent to auction. The Yukon Trapper's Association will be onsite, so buyers can send furs for tanning right from the event.

Tanned pelts will likely sell better, particularly beaver. Crafters would be likely be interested in slightly or very damaged furs as well as prime furs, and buyers may love fur colours that get lower prices at the auction.

Crafters:

It is up to you to set your prices, you know the market the best. As this is a fur event, please bring only your goods made with fur on them. Please label the furs used on each item.

Name	<input type="checkbox"/> I have included a check for \$50 payable to Yukon Trappers Association
Mailing Address	<input type="checkbox"/> I have included a picture of myself or emailed one to lisapreto@gmail.com
Phone	<input type="checkbox"/> (A) I will be there to sell my goods
Email (optional)	<input type="checkbox"/> (B) I will send in my goods to be sold

Questions?

If you have questions, please contact the Teslin Campus at 867.390.8800.

If the campus cannot answer your question, staff will use the college network to find the answer.

Are you planning on applying to a Yukon College credit program that starts in the Fall 2018? Do you need advice or some guidance on the programs available? Do you think that you may need upgrading?

It is never too early to plan ahead. Applications for fall programs are accepted starting on January 15th. Do not wait until the summer as some high demand programs fill up by the spring.

If required, upgrades are available by distance through your local campus in the winter (January to April) or in the early summer in a compressed schedule (May-June).

Think ahead and be ready for that program you want to take! Your local campus can help you navigate the admissions and registration process.

13 New Year's Eve Traditions from Around the World

Scotland

In Scotland, New Year's Eve — also called “Hogmanay” — is celebrated by giving gifts of shortbread to friends and neighbours.

Peru

In Peru, traditional belief holds that you can foretell the financial future of the new year by using a potato. Three potatoes are placed under a chair or couch — one unpeeled, one peeled and one half-peeled — with one potato selected at random exactly at midnight. Picking a peeled potato signifies a year with no money, a half-peeled potato means you can expect a typical year, while an unpeeled potato predicts a monetary windfall.

The American South

In the American South, black-eyed peas are typically eaten on New Year's Day in the belief that consuming them will bring luck in the new year.

13 New Year's Eve Traditions from Around the World

Holland

Dutch tradition holds that eating any ring-shaped treat (such as a doughnut) symbolizes coming full circle, which will lead to good fortune in the year to come.

Greece

When the clock strikes midnight in Greece, you should smash a pomegranate on the floor right in front of the door, breaking it open and revealing its seeds. The seeds symbolize prosperity and good luck; the more seeds you see, the more luck you'll have.

Spain

As the clock chimes 12 times at midnight in Spain and Portugal, it's believed that eating 12 grapes (symbolizing the 12 months of the year) will bring good luck, with one grape consumed at the precise moment of each chime.

13 New Year's Eve Traditions from Around the World

Bolivia

In Bolivia, coins are baked into cakes and pastries, and it's believed the person receiving the coins once the cake is cut up will enjoy prosperity in the coming year.

Switzerland

In Swiss homes, whipped cream or ice cream is eaten (which are meant to symbolize the richness of the coming year), with a small dollop dropped on the floor and allowed to remain there.

France

On New Year's Eve, the French celebrate with a special feast, called Le Réveillon de la Saint-Sylvestre, featuring traditional dishes such as pancakes and foie gras along with champagne, with this meal believed to bring prosperity and good luck all who attend the feast.

13 New Year's Eve Traditions from Around the World

Russia

A Russian New Year's custom is to write down a wish for the coming year on a piece of paper, then burn the paper and place the ashes in a glass of champagne. In order for the wish to come true, the champagne must be guzzled with before the New Year is rung in.

Estonia

Estonians eat seven meals on New Year's Eve, a superstition that is believed to ensure an abundance of food in the coming year.

Ireland

An ancient Irish tradition is to bang loaves of bread on the walls of the house in order to chase away evil spirits and invite good spirits in for the year to come.

13 New Year's Eve Traditions from Around the World

Chile

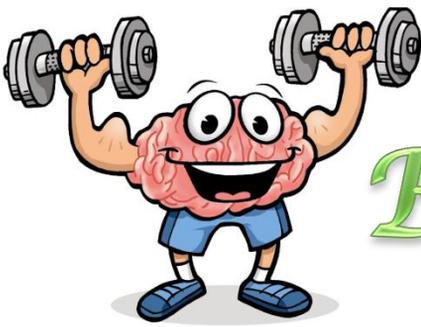

Chileans eat lentils when the clock strikes midnight, believing that eating them will usher in a prosperous new year.
