### **SOLID WASTE FACILITY/RECYCLING**

The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

The bin system is ready to go! Construction waste, metal, and appliance areas of the landfill will be closed to the public and the public will drop these waste streams into designated bins that are setup near the household waste bin. Arrangements can be made with the Village office for commercial vehicles to continue have access to the designated areas.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

Please ensure recycling bins are outside and easily accessible for pickup.

### **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful on what is being flushed down the system.

### **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

With the changing weather please keep your driveway accessible for the water truck.

Both water trucks are good working order.

### **DOG CONTROL**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

# January 2018 Recreation Report

I hope everyone is having a happy and healthy new year!

We have started our Just Do It Challenge! We currently have 19 people signed up for our challenge. It is great to see so many people making positive and healthy changes in their lives. Keep up the good work guys! The challenge will go until April.

We have free skate from Monday to Friday from 12:00pm to 1:00pm and every Sunday from 2:00pm to 4:0pm. We have a variety of skates and helmets for people to use if they do not have their own.

We had Jill, a holistic nutritionist, come out in early January to give a talk about how to start the year right with healthy eating! It was a great presentation and a big thank you goes to Jill for coming out despite the cold weather.

There was a special bootcamp and lecture on self-sabotage in early January. Lee and Nathan did a great job going over the ways people self-sabotage and how to stop. They then led us through an amazing but hard bootcamp that had everyone moving and sweating!

The youth had a special new years youth club on the 5<sup>th</sup>. They enjoyed playing games, eating candy out of fake plastic champagne bottles, and celebrating the new year a second time. Youth club is every Friday from 8:00pm to 10:30pm for ages 12 and up.

Girls club is as vibrant and busy as usual! The girls love doing things like having movie nights, playing games, and having dance parties. It is great to see more and more girls coming out to girls club and enjoying the activities! Girls club is every Friday from 6:00pm to 8:00pm.

Boys club is as busy as ever! This month they continued to work on making knives from scratch, had a movie night, and played fun games. Keep an eye out for the fun things boys club has planned for this month. Boys club is every Thursday from 6:00pm to 8:30pm.

After school sports is going strong. The kids enjoy learning new recipes and skills, playing games, and having fun.

Yoga is every Tuesday from 5:30pm to 6:30pm in the mezzanine. Kaitlin is amazing for driving out on Tuesdays to continue teaching us yoga!!

Volleyball is every Tuesday from 7:00pm to 9:00pm at the school. It is great to see a mix of adults and kids having fun and being active together!

As always keep an eye out for fun and exciting events coming in February!!!

### Trappers:

We are looking for tanned and untanned furs to be sold. We are creating a chart of price ranges by species to ensure good and consistent prices for trappers- you can price your furs in that range (damaged furs can be lower). They will be higher than auction prices.

There are auction receiving dates in mid April and early May, so if you wish to leave hides untanned, unsold furs can still be sent to auction. The Yukon Trapper's Association will be onsite, so buyers can send furs for tanning right from the event.

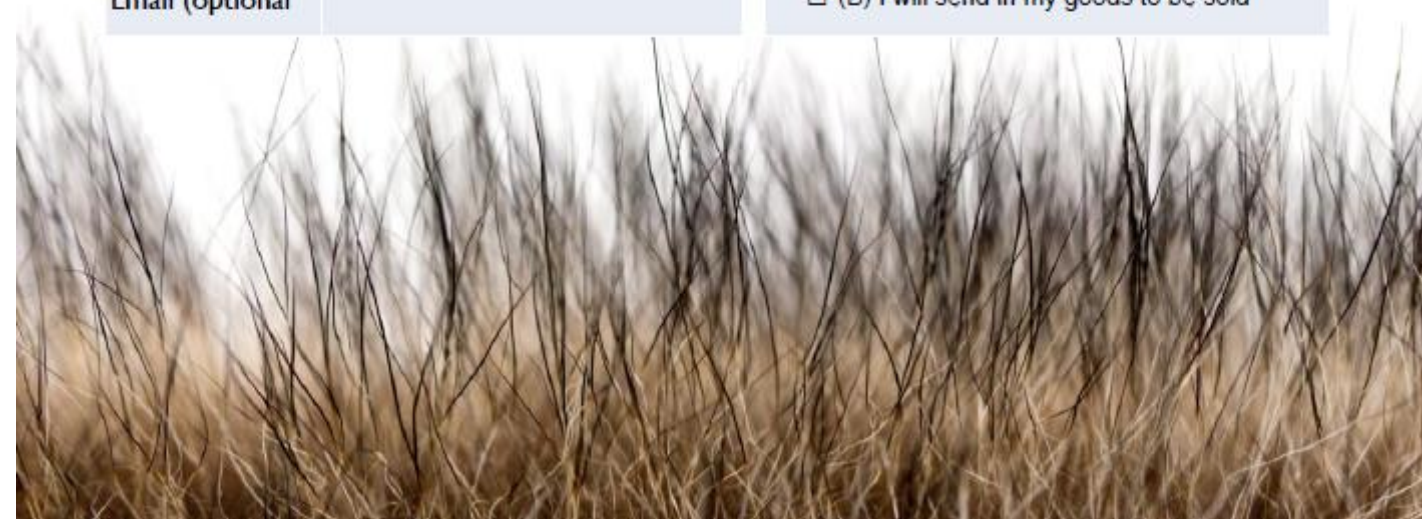

Tanned pelts will likely sell better, particularly beaver. Crafters would be likely be interested in slightly or very damaged furs as well as prime furs, and buyers may love fur colours that get lower prices at the auction.

### Crafters:

It is up to you to set your prices, you know the market the best. As this is a fur event, please bring only your goods made with fur on them. Please label the furs used on each item.

# Valentine's Day Traditions All Around the World

## Denmark

Although Valentine's Day is a relatively new holiday in Denmark (celebrated since the early 1990s according to the Ministry of Foreign Affairs of Denmark), the country has embraced February 14th with a Danish twist. Rather than roses, friends and sweethearts exchange pressed white flowers called snowdrops.

Another popular Danish Valentine's Day tradition is the exchange of "lover's cards." While lover's cards were originally transparent cards which showed a picture

of the card giver presenting a gift to his sweetheart, the term is now synonymous with any card exchanged on Valentine's Day.

On February 14th, men also give women *gækkebrev*, a "joking letter" consisting of a funny poem or rhyme written on intricately cut paper and signed only with anonymous dots. If a woman who receives the *gækkebrev* can correctly guess the sender, she earns herself an Easter egg later that year.

## France

Paris is considered one of the most romantic cities in the world.

With a reputation as one of the most romantic destinations in the world, it's little wonder France has long celebrated Valentine's Day as a day for lovers.

It's been said that the first Valentine's Day card originated in France when Charles, Duke of Orleans, sent love letters to his wife while imprisoned in the Tower of London in 1415. Today, Valentine's Day cards remain a popular

tradition in France and around the world. Another traditional Valentine's Day event in France was the *loterie d'amour*, or "drawing for love." Men and women would fill houses that faced one another, and then take turns calling out to one another and pairing off. Men who weren't satisfied with their match could simply leave a woman for another, and the women left unmatched gathered afterward for a bonfire. During the bonfire, women burned pictures of the men who wronged them and hurled swears and insults at the opposite sex. The event became so uncontrollable that the French government eventually banned the tradition all together.

# Valentine's Day Traditions All Around the World

## South Korea

Valentine's Day is a popular holiday for young couples in South Korea, and variations of the holiday are celebrated monthly from February through April. The gift-giving starts on February 14th, when it's up to women to woo their men with chocolates, candies and flowers. The tables turn on March 14th, a holiday known as White Day, when men not only shower their sweethearts with chocolates and flowers, but up the ante with a gift.

And for those who don't have much to celebrate on either Valentine's Day or White Day, there is a third holiday: Black Day. On April 14th, it's customary for singles to mourn their solitary status by eating dark bowls of *jajangmyeon*, or black bean-paste noodles.

## Wales

You won't find the Welsh celebrating Saint Valentine — instead, people in Wales celebrate Saint Dwynwen, the Welsh patron saint of lovers, on January 25th.

One traditional romantic Welsh gift is a love spoon. As early as the 17th century, Welsh men carved intricate wooden spoons as a token of affection for the women they loved. Patterns and symbols were carved into these

love spoons, each signifying a different meaning. A few examples include horseshoes, which stand for good luck; wheels, which symbolize support; and keys, which symbolize the keys to a man's heart. Today, love spoons are also exchanged for celebrations such as weddings, anniversaries and births.

# Valentine's Day Traditions All Around the World

## China

The equivalent to Valentine's Day in China is Qixi, or the Seventh Night Festival, which falls on the seventh day of the seventh lunar month each year. According to Chinese lore, Zhinu, a heavenly king's daughter, and Niulang, a poor cowherd, fell in love, married and had twins. When Zhinu's father learned of their marriage, he sent his queen to bring Zhinu back to the stars. Upon hearing the cries of Niulang and the children, the king allowed Zhinu and Niulang to meet once a year on Qixi.

During Qixi, young women prepare offerings of melon and other fruits to Zhinu in hopes of finding a good husband. Couples also head to temples to pray for happiness and prosperity. At night, people look to the heavens to watch as stars Vega and Altair (Zhinu and Niulang, respectively) come close during the star-crossed pair's annual reunion.

## England

On the eve of Valentine's Day, women in England used to place five bay leaves on their pillows — one at each corner and one in the center — to bring dreams of their future husbands. Alternatively, they would wet bay leaves with rosewater and place them across their pillows.

In Norfolk, Jack Valentine acts as a Santa of sorts for Valentine's Day. Children anxiously wait to hear Jack Valentine knock at their doors, and although they don't catch a glimpse of Old Father Valentine, children enjoy the candies and small gifts left on their porches.

# Valentine's Day Traditions All Around the World

## Philippines

While Valentine's Day celebrations in the Philippines are similar to celebrations in Western countries, one tradition has swept the country and led to thousands of couples sharing a wedding day on February 14th. Mass wedding ceremonies have gained popularity in the Philippines in recent years, leading hundreds of couples to gather at malls or other public areas around the country to get married or renew their vows en masse.

## Italy

*A romantic dinner is one way to celebrate Valentine's Day in Italy.*

Originally, Italians celebrated Valentine's Day as the Spring Festival. The young and amorous gathered outside in gardens and such to enjoy poetry readings and music before taking a stroll with their beloved.

Another Italian Valentine's Day tradition was for young, unmarried girls to wake up before dawn to spot their future husbands. The belief was that the first man a woman saw on Valentine's Day was the man she would marry within a year. Or he'd at least strongly resemble the man she would marry. Today, Italians celebrate Valentine's Day with gift exchanges between lovers and romantic dinners. One of the most popular Valentine's Day gifts in Italy is Baci Perugina, which are small, chocolate-covered hazelnuts wrapped with a romantic quote printed in four languages.

# Valentine's Day Traditions All Around the World

## Brazil

*A table set for Dia dos Namorados*

With Carnival held sometime in February or March each year, Brazilians skip the February 14th celebration and instead celebrate Dia dos Namorados, or "Lovers' Day," on June 12th. In addition to the usual exchanges of chocolates, flowers and cards, music festivals and performances are held throughout the country. Gift giving isn't limited to couples, either.

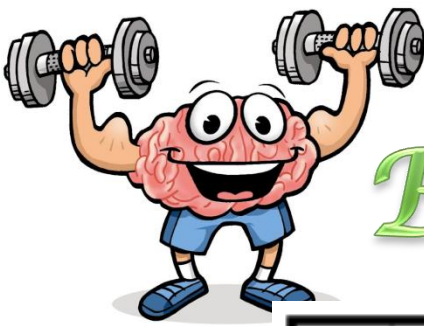

In Brazil, people celebrate this day of love by exchanging gifts and sharing dinner with friends and relatives, too.

The following day is Saint Anthony's Day, which honors the patron saint of marriage. On this day, single women perform rituals called *simpatias* in hopes that St. Anthony will bring them a husband.

## South Africa

Like many parts of the world, South Africa celebrates Valentine's Day with festivals, flowers and other tokens of love. It's also customary for women in South Africa to wear their hearts on their sleeves on February 14th; women pin the names of their love interest on their shirtsleeves, an ancient Roman tradition known as Lupericalia. In some cases, this is how South African men learn of their secret admirers.
