### **TESLIN ROADS**

Roads are in winter driving condition.

### **SOLID WASTE FACILITY/RECYCLING**

The landfill fees and fines are listed in the Teslin Post, available at the Village office, posted at the landfill and on our website. If you would like to review the bylaw please stop by or call the Village Office.

The bin system is ready to go! Construction waste, metal, and appliance areas of the landfill will be closed to the public and the public will drop these waste streams into designated bins that are setup near the household waste bin. Arrangements can be made with the Village office for commercial vehicles to continue have access to the designated areas.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

Please ensure recycling bins are outside and easily accessible for pickup.

### **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful on what is being flushed down the system.

### **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition.

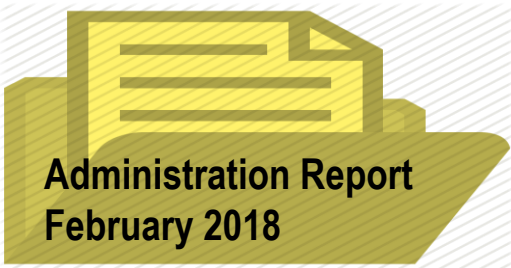

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

With the changing weather please keep your driveway accessible for the water truck.

Both water trucks are good working order.

# February 2018 Recreation Report

I hope everyone had a lovely and safe February. It certainly was a busy month.

We had a very special Valentine's Day Dance on February 16<sup>th</sup>. The kids had a ball showing off their dance moves, winning prizes, and enjoying the snacks. It was great to see so many kids from such a large age range having fun and dancing together.

We took a group of youth skiing to Mt. Sima on February 18<sup>th</sup>. The kids had a blast and stayed on the hill the entire day! They were so tired they all fell asleep on the way home. A huge thank you to all the parents that volunteered to supervise the trip.

Girls club has stayed busy this month with various art projects, games, and movie nights. The girls are learning skills such as crocheting, knitting, weaving, and sewing.

Boys club is going strong. This month they had a special trapping day and have been working with Tim Dewhurst to make leather sheathes. Their new favourite activity is Nerf Wars!

Kait has been amazing and is making sure we have our yoga fix every Tuesday from 5:30 to 6:30. We have plenty of yoga mats and blocks if you would like to try it out.

Volleyball is still every Tuesday from 7:00 to 9:00 at the school. A huge thank you to Travis and Jason for being there every week to help run it. They have also started opening the gym up on Saturday evenings for volleyball.

Badminton will be on Wednesdays from 7:00 to 9:00 starting in March. Spread the word and come down for a surprisingly good workout.

After school sports is as busy as ever. By far the favourite game for each age group is hide and seek. They are all enjoying being the kitchen and learning new skills. It is great to see how excited they are for after school sports each day.

Mark your calendar for Mini Rendezvous on March 9<sup>th</sup> weekend and a very special NHL Hockey Day on March 8<sup>th</sup>!!

*Welcome to Unfurled!*

This event was created for you, the trappers and fur-sewing crafters. The main goal is to sell fur and fur products at Unfurled at the Kwanlin Dun Cultural Centre in Whitehorse, March 9-10-11, 2018.

We hope this event will help create a new local fur market. We want to see more Yukoners buying fur, wearing fur, trapping and crafting, and we want you to sell your goods at a good price!

*You're invited:*

There is no registration fee, but there is a deposit of \$50 that will be **returned/refunded at the event**. This is to ensure our spaces are filled in advance and we can estimate the goods that will be available for sale.

**Register before December 1st, 2017 and receive an Early Bird Bonus!**

Please fill in and return the form on the next page by:

- email: lisapreto@gmail.com
- mail: Lisa Preto, Box 5593, Haines Junction Yukon, Y0B 1L0

### Trappers:

We are looking for tanned and untanned furs to be sold. We are creating a chart of price ranges by species to ensure good and consistent prices for trappers- you can price your furs in that range (damaged furs can be lower). They will be higher than auction prices.

There are auction receiving dates in mid April and early May, so if you wish to leave hides untanned, unsold furs can still be sent to auction. The Yukon Trapper's Association will be onsite, so buyers can send furs for tanning right from the event.

Tanned pelts will likely sell better, particularly beaver. Crafters would be likely be interested in slightly or very damaged furs as well as prime furs, and buyers may love fur colours that get lower prices at the auction.

### Crafters:

It is up to you to set your prices, you know the market the best. As this is a fur event, please bring only your goods made with fur on them. Please label the furs used on each item.
