WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. We are scheduling our annual tank cleans for the plant and water trucks.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

June 2018 Recreation Report

I hope everyone has enjoyed the nice weather that we got in June. June certainly was a busy month.

We kicked June off with a wonderful Community Garage Sale. Unfortunately the weather did not cooperate with us that day, so we were unable to have it outside, but there was still a good turn out of buyers and sellers! Big thanks to everyone who participated. If you are interested in having another one in August let me know!

The Circus was here on June 5th! Everyone had a great time watching all of the amazing acts, getting their faces painted, and enjoying tasty treats. It was great to see so many people come out to it.

We had a water safety camp from June 11th to June 13th. The youth who participated learned many valuable water safety skills on both the lake and Morely River. Tatenshini Expediting did an amazing job teaching.

Girls Club had a 24 hour challenge this month. They had a blast trying to stay up from 24 hours. They did well but all of them fell asleep by 5:00am. They had a fun night of crafting, dance offs, and baking. Girls Club also had a Holistic Nutritionist come out to talk to them this month. They learned many new healthy recipes and fell in love with some healthy and delicious snacks.

We now have baseball every Monday night from 7:00 to 9:00. Volleyball is done for the summer. We have extra bats and gloves so everyone should come and give baseball a shot. We also have t-ball equipment for any little ones who want to come and join the fun.

Bootcamp was every Monday from 5:30 to 6:30 this month. We have now changed that and bootcamp and Zumba will be on Tuesdays from 5:30 to 6:30. Come out and get fit and have fun!

We had some half day camps this month. The kids had fun having water fights, playing at the park, and hanging out at the rec center.

Bible camp was this month. The kids had a blast playing games, making crafts, and of course learning about Jesus. Thank you to everyone who helped put it on.

Of course our big event of the summer was our Teslin Rocks Country Concert! It was a wonderful night of good music, good times, and good people. I cannot thank the people who made it possible enough. A lot of hard work and time went into making it an amazing night. The acts were outstanding and I don't think one person left disappointed in the concert. Again thank you to everyone who helped out.

We have more exciting camps for the kids in July so stay tuned for those!

If the campus cannot answer your question, staff will use the college network to find the answer.

Are you planning on applying to a Yukon College credit program that starts in the Fall 2018? Do you need advice or some guidance on the programs available? Do you think that you may need upgrading?

It is never too early to plan ahead. Applications for fall programs are accepted starting on January 15th. Do not wait until the summer as some high demand programs fill up by the spring.

If required, upgrades are available by distance through your local campus in the winter (January to April) or in the early summer in a compressed schedule (May-June).

Think ahead and be ready for that program you want to take! Your local campus can help you navigate the admissions and registration process.
