## **TESLIN ROADS**

All street are in good summer conditions. The Speed bumps around Friendship Park, Daycare, Recreation Center and the School have been installed and are slowing down traffic in these areas. We will be removing the speed bumps next month for the winter.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday, Wednesday – Closed to public

Thursday and Friday – Noon to 6:00pm

Saturday – 9:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home and at work to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

## **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful on what is being flushed down the system. Please watch for construction equipment and trucks while driving on the lagoon road as the Airport Connector Road construction is underway.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **DOG CONTROL**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

## **RECREATION**

We are transitioning from summer programming to fall programming, after school activities will start after the long weekend on Tuesday September 4<sup>th</sup>.

Check out the recreation calendar or give Kelsey a call to see what's happening in Teslin.

## **PROJECTS**

Work is continuing on the Airport Connector Road. Please be careful in the airport area and watch for construction equipment and trucks.

Field and Sawmill drainage construction will continue over the construction season and cleanup on all ditches should commence later this summer.

### **OTHER**

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

The zoning amendment bylaw and cannabis zoning bylaws had Third and Final reading and are now in effect.

# August 2018 Recreation Report

I hope everyone stayed safe during August. It certainly was a smoky month.

We kicked August off with Dance Camp! The kids had a fun week of dancing, games, and making music. They showed off what they learned at the end of the week with an amazing performance. It is always wonderful to see how much they can learn in such a short amount of time and how much fun they have doing it. Thank you to Leaping Feats and Breakdance Yukon Society for sending out such amazing teachers!

We held our Youth Club 24 Hour Challenge on August 11<sup>th</sup> and 12<sup>th</sup>. I am super proud of the four youth who climbed White Mountain to kick off the challenge. It was a difficult hike but the view made it all worth it. When we got back from the mountain, we had ten more youth join us for the rest of the challenge. They had a contest to see who could make the best dinner, and then spent the rest of the night playing games and having fun. Three youth lasted the entire 24 hours.

We had Gymnastics Camp the week of August 13<sup>th</sup>. The kids had a blast learning how to safely tumble. It was amazing to see what some of the kids could accomplish after just 5 days. They all learned a lot and I'm sure will be showing off their new skills to their friends for some time now.

We held our community garage sale on August 25<sup>th</sup>. Youth Club and Girls Club had a table with baked goods for sale and the proceeds went to Telegraph Creek.

All of our regular programming, including After School Sports will resume on September 4<sup>th</sup>. As always keep an eye out for the recreation calendar for new and exciting programming! If you have any questions, concerns, or ideas contact Kelsey!

# Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

## What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

**We can all do our part to help keep the wild in wildlife.**

September 2018 is proclaimed as

**Prostate Cancer Awareness Month**

Resolution number: 95-15-18

WHEREAS, prostate cancer is the most common cancer among Canadian men; and  
WHEREAS, 1 in 7 Canadian men will be diagnosed with the disease in his lifetime; and  
WHEREAS, an estimated 11 Canadian men will die from prostate cancer every day; and  
WHEREAS, the survival rate for prostate cancer can be close to 100% when detected early; and  
WHEREAS, those with a family history of the disease, or those of African or Caribbean descent, are at greater risk of developing prostate cancer; and  
WHEREAS, the Village of Teslin supports Prostate Cancer Canada and all individuals committed to raising awareness about prostate cancer;  
THEREFORE, I Mayor Jules on behalf of Village Council, do hereby proclaim September 2018 as Prostate Cancer Awareness Month in the Village of Teslin

# PSA : Know Your Number

## Risk Factors

**Age:** Risk for prostate cancer increases with age.

**Race:** Men of black African or black Caribbean descent have increased risk for prostate cancer.

**Family History:** Men with a first degree relative (brother, father, son) with prostate cancer have an increased chance of getting the disease.

## Did you know?

The PSA test is a simple blood test, taken from your arm, that measures the amount of prostate specific antigen in your blood.

While there are controversies with the PSA test, high numbers serve as a powerful red flag for further investigation.

## Prostate Cancer Canada Recommends

At high risk? Talk to your primary care provider about prostate cancer.

Get a PSA test in your 40's to establish your baseline.

The decision to end PSA testing should be based on individual factors.

## PROGRAM OVERVIEW

Yukon College's Bachelor of Arts in Indigenous Governance degree builds on Yukon First Nations' 25 years of experience with modern treaties and implementation of self-government.

Developed in partnership with Yukon First Nation governments, this degree aims to provide students with the skills, knowledge, and values to be successful and influential government and community leaders.

You will learn through a combination of lectures, seminars, group discussions, guest speakers and experiential activities, including a capstone project. The Bachelor of Arts in Indigenous Governance degree consists of 90 credits delivered over three years of full-time study, or at the student's own pace on a part-time basis.

## COURSEWORK TOPICS

- Self-Government and Self-Determination
- Bridging Indigenous and Western Knowledge Systems
- Preservation of Indigenous Culture
- Governance and Land Claims
- Indigenous Political Thought
- Indigenous Politics in Canada

## ADMISSION REQUIREMENTS

- Grade 12 graduation with English 12 and Math 11 (Applications, Principles, Foundations, or Pre-Calculus strongly recommended); OR
- Mature Student Status with acceptable scores on College Assessments; OR
- Acceptance into a related post-secondary program at a comparable level to the Bachelor of Arts in Indigenous Governance; OR
- Five years of manager-level work experience with four to five pieces of sample writing for eligibility assessment.

## PROGRAM DESCRIPTION

The Bachelor of Arts in Indigenous Governance degree will build public-sector leadership and administrative capacity, particularly with respect to Indigenous governments, by exposing students to the values, knowledge and skills necessary for working collaboratively within the governance context of the North.

The program centres on northern issues and the interaction between Western and Indigenous worldviews. Students will analyze the evolution of Indigenous self-determination and self-government in Yukon, Canada and internationally, with a focus on current legislation and policy.

A capstone project will provide students with an opportunity to integrate theoretical knowledge of policy, governance, and self-determination with practical methods in an applied setting.

## EMPLOYMENT

- The Bachelor of Arts in Indigenous Governance will produce leaders in governments and communities qualified to participate in the northern governance landscape and/or pursue further study in the field.
- All graduates will be equipped for management and leadership positions in Indigenous governments, municipal and territorial governments, as well as non-profit organizations operating in the context of Indigenous governance.
- Students already holding these positions will refine their professional skills through academic research and practical applications.

## Teslin Training Fund

*Are you interested in taking training that will lead to employment and need funding?*

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

**This is an ongoing intake—Applications are accepted at any time**

**Application forms are available at the VOT Municipal Offices or Yukon College**

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.
