TESLIN ROADS

All roads are in winter driving conditions, please use caution.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday, Wednesday – Closed to public

Thursday and Friday – Noon to 6:00pm

Saturday – 9:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

Electronic waste is now on the designated material list so it is free of charge to dispose of.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

DOG CONTROL

Please ensure your pets are secure on your property. We have seen an increase in complaints about loose dogs wandering in Fox Point so we have increased out patrols in that area. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Winter programming is in full swing and after school activities have started.

Hockey season is has arrived!

Minor Hockey is scheduled for Monday and Wednesday's from 6 pm to 8 pm

Men's Hockey is Tuesday's and Thursday's 7 pm to 9 pm. Contact Cole Hunking to register.

New this year – Women's Hockey!!!! Come out on Wednesday evenings from 7:30 to 9:00 pm and give it a try. If anyone has hockey gear they would like to sell, or donate to women's hockey please let Kelsey know.

The arena will be open during lunch hour Monday to Friday from 12 pm to 1pm, and Saturday from 4 pm to 6 pm for public skating.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Check out the recreation calendar or give Kelsey a call to see what's happening in Teslin.

PROJECTS

Work on the Airport Connector Road is complete for this season and the road is closed for the winter.

STAFFING

There are no positions open at this time.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

December 2018 Recreation Report

I hope everyone had a safe and happy holiday season! December certainly was a busy month. There was the Community Hay Ride and Lights Contest, the Community Dinner, the Seniors and Elders Christmas Dinner, and many open houses.

The Community Hay Ride was on December 11th. It was great to see so many people come out to enjoy the evening, and it was great to see so many houses beautifully decorated for the holiday season! Congratulations to all the winners!

The Seniors and Elders Christmas Dinner was on December 20th. The seniors and elders had a fun time enjoying dinner, visiting, and listening to wonderful music. Huge thank you to everyone who helped make the night as special as it was. It was great to have so many young people volunteer to make the night extra wonderful for the seniors and elders. Thank you to everyone who donated so the night was possible.

There was a special free skate on December 24th. It was great to see so many families come out and enjoy the time on the ice, hot chocolate, and hot dogs.

The youth center was open Friday to Monday most weeks in December. The kids have enjoyed movie nights, craft nights, and cooking nights. As of January the youth center will be open Friday to Sunday from 7:00 to 9:00.

After School Sports are running four days a week from 3:30 to 5:00 at the Recreation Centre. The kids have enjoyed doing a variety of crafts, cooking, and playing games. It is great to see the number of kids coming grow each week.

Bootcamp is every Tuesday from 5:30 to 6:30 in the mezzanine. I promise it is not as scary as it sounds, and I encourage everyone to come and try it out! Bootcamp will resume on January 8th.

Volleyball is every Tuesday and Saturday from 7:00 to 9:00 at the school gym. Everyone is welcome to go and try it out. Volleyball will resume on January 8th.

Happy New Year

*“New Year - a new chapter, new verse,
or just the same old story?
Ultimately we write it.
The choice is ours.”*

- Alex Morritt

Teslin Health Center

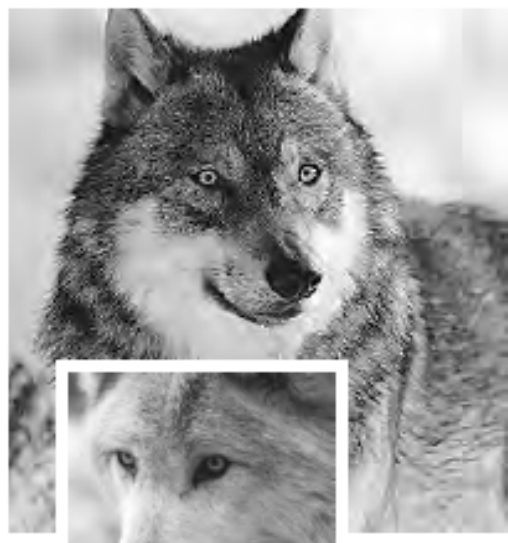

Happy New Year! The Teslin Health Center Staff wish you a happy and health 2019. There are a few little things you can do to improve your health this coming year.

1. Participate in Colon Check Yukon. Yukoners 50-74 are encouraged to get screened for Colon Cancer with a FIT test. It is a take home test you do only once every 2 years. It can detect early signs of cancer so it can be fixed right away. Find it early. Prevent it. Treat it.
2. Get your mammogram done to look for very early breast cancer. Book your own or call us to book it for you! We are happy to help.
3. Men, you need to discuss getting prostate bloodwork done with your Dr. A quick blood test can find early problems.
4. Pap tests are important to find early changes on a woman's cervix. Now it only needs to be done every 3 years for most people.
5. Quit Smoking. We have patches, gum, lozenges and can help you arrange for medications from a physician if needed. There is lots of support out there!
6. If you are interested in eating healthier and losing weight, we can arrange for you to see the dietician over the telehealth equipment.
7. Get your flu shot. Seniors, pregnant women and young children are most at risk from complications from influenza. Please help us protect them!

For most of the above, you do not need an appointment, just walk in and let us help.

Best wishes for a healthy 2019 from the Teslin Health Center Staff

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.

- Demonstrate the ability to apply mathematical concepts to the heavy equipment field.

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

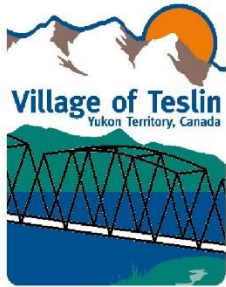

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.
