TESLIN ROADS

All roads are in Spring driving conditions. We will continue with sweeping them over the next few weeks to keep the dust down.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday, Wednesday – Closed to public

Thursday and Friday – Noon to 6:00pm

Saturday – 9:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

Electronic waste is now on the designated material list so it is free of charge to dispose of.

New signage has been installed at the recycling facility.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

In the coming months we will be flushing the sewer system, we will have equipment parked on the roadway so please use caution when passing.

Our water licence is due in 2020 so work will begin on gathering information to apply for a new licence.

Shelley Hassard, CAO

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Our annual inspection of the water treatment is scheduled for the end of February.

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

With the warm weather there is more dogs running around town please ensure your dog is on your own property and not running at large.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

Keto Chicken Enchilada Bowl

Ingredients

- 2 tablespoons coconut oil (for searing chicken)
- 1 pound of boneless, skinless chicken thighs

- 1/4 cup water
- 1/4 cup chopped onion
- 1- 4 oz can diced green chiles

Toppings (feel free to customize)

- 1 whole avocado, diced
- 1 cup shredded cheese (I used mild cheddar)
- 1/4 cup chopped pickled jalapenos

- 1 roma tomato, chopped

Instructions

- In a pot or dutch oven over medium heat melt the coconut oil. Once hot, sear chicken thighs until lightly brown.
- Pour in enchilada sauce and water then add onion and green chiles. Reduce heat to a simmer and cover. Cook chicken for 17-25 minutes or until chicken is tender and fully cooked through to at least 165 degrees internal temperature.
- Carefully remove the chicken and place onto a work surface. Chop or shred chicken (your preference) then add it back into the pot. Let the chicken simmer uncovered for an additional 10 minutes to absorb flavor and allow the sauce to reduce a little.
- To Serve, top with avocado, cheese, jalapeno, sour cream, tomato, and any other desired toppings. Feel free to customize these to your preference. Serve alone or over cauliflower rice if desired just be sure to update your personal nutrition info as needed.

Spinach Artichoke Stuffed Chicken Breast

Ingredients

- 1 ½ lbs. [chicken breasts](#) 6 4-oz. portions
- 2 tablespoons [olive oil](#)
- 4 ounces cream cheese softened
- ¼ cup Greek yogurt
- ½ cup Mozzarella cheese shredded
- ½ cup [artichoke hearts](#) thinly sliced
- ¼ cup frozen spinach drained, and tightly packed
- ½ tsp. [salt](#) divided
- ¼ tsp. [pepper](#) divided

• **Instructions**

- Pound chicken breast to 1-inch thick. Using a sharp knife cut each chicken breast down the middle, being careful not to cut all of the way through, to make a pocket for the spinach artichoke filling. Sprinkle chicken breasts with ¼ teaspoon salt and 1/8 teaspoon pepper.
- In a medium-sized bowl combine the cream cheese, Greek yogurt, Mozzarella cheese, artichoke hearts, drained spinach, ¼ teaspoon salt and 1/8 teaspoon pepper. Mix until thoroughly combined.
- Carefully fill each chicken breast with equal amounts of the spinach artichoke filling. If you have extra filling, set it aside until the chicken is almost done cooking.
- In a large skillet over medium heat add olive oil and stuffed chicken breasts. Cover skillet and cook for 7-8 minutes on each side, or until chicken reaches 165 degrees with a meat thermometer.
- During the last few minutes of cooking, add additional filling to the skillet to heat it up. Serve chicken with cauliflower rice, regular rice, mashed cauliflower, or mashed potatoes and enjoy!

TESLIN OFFICIAL COMMUNITY PLAN REVIEW KICKS OFF

The Village of Teslin is reviewing its **Official Community Plan and Zoning Bylaw in 2019**. The process starts with community consultations, the week of **April 23**. Topics to be covered include:

- Affordable housing
- Food security, agriculture, and animals in the village
- Community spaces: recreation, leisure, doing things together
- Infrastructure
- Business, economic development, and the DDC

The consulting team, led by Brad Stoneman, will be talking with elders, youth, and everyone in-between. There will be a community survey, available [online](#) or on paper from the Village offices. There will be a community dinner on Thursday, April 25th at the RecPlex. All are welcome!

What is an Official Community Plan?

It is a bylaw adopted by a local government that incorporates the vision of the community, and the objectives and policies that guide decisions on planning and land use management, for the area covered by the plan.

What does that mean in plain words? The Official Community Plan reflects what the people want to see in the community's future. It provides "marching orders" to the Village Council for the next 10 years.

For more information, contact **Brad Stoneman** at **867-390-2180** or **867-335-1723** or stoneman@northwestel.net

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.
