TESLIN ROADS

All roads are in winter driving conditions, please drive appropriately.

Please be considerate and avoid walking on private property and through residents' yards.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, and Tuesday– Closed to public

Wednesday, Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

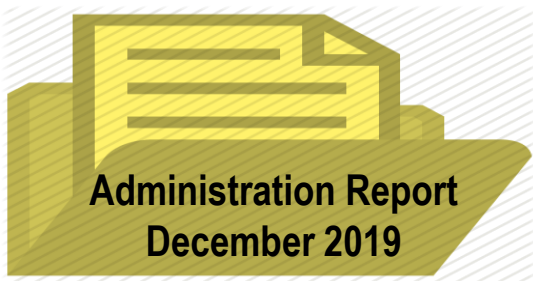

We were unable to get the steel crusher on site before the weather got too cold, so we will not be crushing steel until the summer months.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

We are working with YG on possibly becoming a regional facility. Will keep you posted as we move forward in the discussions.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 so work has begun on gathering information to apply for our new licence.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

We have received numerous complaints about dogs running at large in the Fox Point subdivision we are actively pursuing loose dogs in the area.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

What a great turnout we had for the annual hayride & house lighting contest. Thank you for Cosco Outfitting for providing horse drawn sleigh rides for this event! We also want to thank everyone who donated or volunteered to make this event a success.

The hockey arena is in full swing and we have full schedule for hockey times and free skate. Please refer to the recreation calendar or call the Village office for the schedule.

PROJECTS

We are working with Council on selecting a suitable location for the new Fire Hall once the location is selected, we will start the building design.

OCP – The survey results, background report, Food Security, Agriculture & Animals report, Housing & Affordable Housing report, Community spaces, and Future of Teslin report are complete and available on our website. A paper copy is available at the Village office or the Post Office. We would like to hear any comments or suggestions from the public on any of the OCP documents. Please contact Shelley at the Village office.

The draft OCP is being prepared and will be brought forward to Council in January.

WSP has been hired by YG to develop options and design for the Nisutlin Bridge replacement. There will be a public information session in January.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

December 2019 Recreation Report

*News and Highlights
from your
Recreation Programmer*

The Annual Hay Ride and Christmas Light Contest took place on December 16 and despite cold temperatures had a great turnout. Several loops were made with both the horse-drawn and truck-driven wagons and all enjoyed the great light displays throughout the village and warming up with hot chocolate and hot dogs around the fire between rides.

We also had a great turnout for the youth Christmas Dinner on December 13th, and had fun eating Boston Pizza while watching Elf on the big screen making s'mores outside on the open fire.

The Recplex was a hub of activity throughout the month with many Christmas dinners, open houses, and meetings in addition to the regularly scheduled rec programs. It was great to see the facility so busy over the Hand Games tournament and throughout all these events!

The buzz around the rink on hockey nights is growing too! A fun hockey game between 'VOT/TTC/YTG employees' and 'the world' (non government employees) took place on December 17th with pizza being sold in the mezzanine- adding to the enjoyment of all who came out. More of these hockey nights and catered concessions are in the works with the next 'big game' being January 6.

Recreation will be making a trip to Mt. Sima on January 17th. Registration forms can be picked up and returned to the VOT office by January 3rd to participate in this trip.

We are excited to announce that the Teslin Lakespiel on February 15 is a go. This will be a family-friendly, fun day on the lake complete with curling bonspiel, licensed beer garden, prizes for best 'tailgate set up' and homemade soup. There will be more details to come and lots of ways to get involved with this fun community event!!

December 2019 Recreation Report

Recreation will be going camping with the youth February 21-24. The Youth Winter Camp will focus on traditional knowledge sharing, winter survival skills and having fun out on the land. We are seeking facilitators to help with the delivery of traditional skills programming during this camp.

We would like to take this opportunity to again thank all those who have helped with recreation throughout the year and thank you to our current RHEAL Leaders Patti Wiseman for her efforts with After School Activities on Mondays and Wednesdays and Alicia Mackenzie for running Yoga on Thursday evenings- programs we are excited to have continue in 2020.

Hoping everyone has had a warm, family-filled holiday season and has made the resolution to be more active in recreation in 2020!!!

TESLIN LAKESPIEL, FEBRUARY 15, 2020

In response to the communities' interest in seeing curling return to Teslin, we are planning an outdoor Bonspiel for Saturday February 15, 2020. The 'Lakespiel' will be a family-friendly day out on the lake that will include curling games, large bonfire, a licensed beer garden, a homemade soup contest, and best 'tailgate set-up' contest. The goal is to get the whole community, whether curling or not, out for a fun day on the lake!!

To truly make this a community event we are asking that local businesses, groups and organizations get involved in hosting the Lakespiel!! In addition to encouraging you to come down with your best tail gate set-up and pot of soup - we are seeking support in the following ways:

- cash donation
- door prize donation
- soup contest prize sponsor
- tailgate contest prize sponsor
- volunteering during set-up, take down, day of
- running beer garden/concession

Please let me know how you would like to get involved in this community event so we can start building the buzz together!!!

Thank You!

Healthy Beef Stew

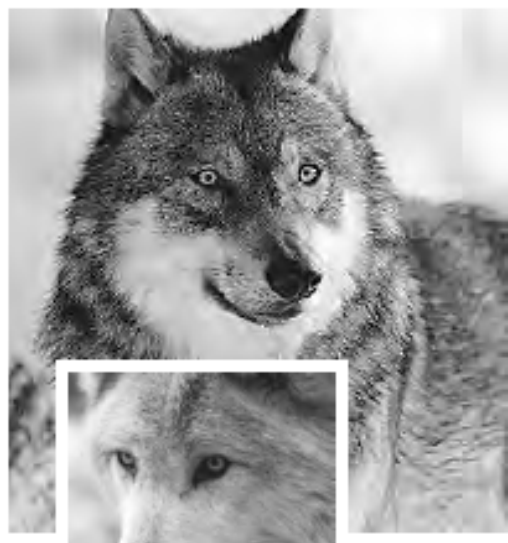

Instructions

Ingredients

- 2 tbsp olive or grape seed oil
- 1.25 pounds beef stew meat
- 1 medium onion diced
- 3 cloves garlic minced
- 4 ounces green chiles diced
- 2 tbsp ketchup or tomato paste
- 2 cups chicken broth
- 2 medium carrots diced
- 3 stalks celery diced
- 1 cup peas
- salt and pepper

- Salt and pepper meat. Heat oil in heavy pot over medium-high heat. Brown the meat in one layer (may take two batches), about two minutes on each side. Remove with a slotted spoon.
- Add onion, garlic, and chilies to pot; stir to pick up browned bits. Cook for two minutes, then add ketchup (or tomato paste). Stir and cook for two more minutes.
- Pour in stock and add beef back to the pan. Cover pot and reduce heat to low. Simmer, covered, for one hour.
- After one hour, taste sauce. Add additional salt, pepper or other favorite spices as needed. Then add carrots, celery, and peas. Stir to combine, cover and let sit for 30 more minutes.

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.

Casual Administrative & Evening Support

The Teslin Campus is currently seeking people who may be interested in working as administrative and evening support on a casual, on-call basis. We are seeking people with the following skills and abilities:

- Ability to trouble-shoot technical issues with computers, internet, and audiovisual equipment.
- Excellent customer service skills and phone etiquette.
- Excellent interpersonal and communication skills (verbal and written).
- Well-organized, flexible, and reliable.
- Familiarity with distance education equipment is an asset

The purpose of this call is to establish a list of potential casual employees who can provide backup coverage for the campus in case of absence by permanent staff. Getting on the auxiliary on-call list does not guarantee employment.

This is an open call. There is no deadline for submissions

A cover letter and résumé are all that is required to apply. Please address your application to Gord Curran, Coordinator/Instructor, Teslin Campus.

Questions

If you have questions or want to submit your résumé, please contact the Teslin Campus at 390-8800 or gcurran@yukoncollege.yk.ca.
