TESLIN ROADS

All roads are in winter driving conditions, please drive appropriately. During periods of snow please drive with caution because of limited visibility. We don't plow the streets until the snowfall has stopped so please plan accordingly. Slowdown and pull over for snowplows and equipment.

Please be considerate and avoid walking on private property and through residents' yards.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, and Tuesday– Closed to public

Wednesday, Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

Textiles (used clothing & fabrics) are now recyclable so you drop of clean textiles at the recycling center.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

We are working with YG on possibly becoming a regional facility. Will keep you posted as we move forward in the discussions.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 so work has begun on gathering information to apply for our new licence.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

We have received numerous complaints about dogs running at large in the Fox Point subdivision we are actively pursuing loose dogs in the area.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Our recreation department has some great events planned please check the recreation calendar or stop by the recreation center and chat with Lindsay.

The hockey arena is in full swing and we have full schedule for hockey times and free skate. Please refer to the recreation calendar or call the Village office for the schedule.

PROJECTS

We are working with Council on selecting a suitable location for the new Fire Hall once the location is selected, we will start the building design.

OCP – The survey results, background report, Food Security, Agriculture & Animals report, Housing & Affordable Housing report, Community spaces, and Future of Teslin report are complete and available on our website. A paper copy is available at the Village office or the Post Office. We would like to hear any comments or suggestions from the public on any of the OCP documents. Please contact Shelley at the Village office.

The draft OCP is on our website and copies are available for the public to review. We are proposing the first reading of the OCP bylaw will be on Monday February 10th and if all goes well the public hearing for the OCP and Zoning bylaw will be scheduled for late March.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

February 2020 Recreation Report

January was a bit of a quiet month in Recreation as we re-grouped following the holidays and battled with the cold temperatures that resulted in low turn-outs or the cancellation of activities. We did resume Tuesday night Hockey Games at the rink with pizza sales by Kim moved to Tuesday and Thursday at the rec-plex. We took youth in to Whitehorse on their January P.D. day, and when it was too cold for Mt. Sima we decided to go for Chinese food and a swim at CGC. We wrapped up the month with a Spa night at the Rec-Plex that featured bath bomb and soap making with Amy, hairdos and trims by Brandy, nail painting with Roseanne and Ashley, and footcare by Patty.

February is a super exciting month with a bunch of awesome recreational things on the go.

We will kick off a 6-week, after-school Ski Program for grades 1-5 that will run Feb 5th until Spring Break. This program will start with a parent & kid social event on Wednesday, February 5th at 5:30 pm in the Mezzanine. The kids will then be on skis for the following 5 Wednesday with guest facilitator Holly Bull in the 'ski playground' we have built behind the Rec-Plex rink. This is a skill development program, so we are asking for youth to register and commit to the full 6-weeks. Please note that this ski program will take place instead of the regular after school activity program on Wednesdays. Mondays with Patty at the rec-plex will remain the same, but if your child chooses not to do the ski program, alternative arrangements will need to be made for Wednesdays. Our guest instructor Holly will also lead some evening group skis (with dates to be determined), and fiddling instruction after school on Thursdays at the rec-plex up until spring break.

February 2020 Recreation Report

February 15 will be the Teslin Lakespiel!!!! This is a fun, family-friendly day on the lake that will feature a round-robin curling tournament, homemade soup contest, best tailgate setup contest, and licensed beer garden. The day will kickoff with a pancake breakfast put on by the Seniors committee at 8am at the Rec-Plex, with tournament play starting at 9am. Registration is \$200/team payable at VOT office, and will be limited to 10 teams. The deadline to register a team is Feb 12. You do not need to be on a team to enter the soup or tail gate contest, or to just come out and enjoy a fun day on the lake!!!

We will be taking the youth to the cabins across the lake for our Winter Camp on the February long weekend, Feb 21-24. This camp, for ages 9+, is all about getting out on the land, sharing traditional skills, and having fun. You need to sign-up with recreation by February 17. We are also looking for the support of local experts to help facilitate some activities at this camp, which could include setting net, identifying traditional trails, teaching traditional skills and sharing stories around the fire. Please speak with Lindsay or Jordan if interested in getting involved.

February 2020 Recreation Report

The archery program has continued with Sam Johnston on Fridays after school and Les Johns leading a practice at the Rec-Plex every couple weeks. Archery is a great opportunity to compete with Team Yukon at the upcoming Arctic Winter Games and North American Indigenous Games, so we encourage regular participation!! Many other identification camps for NAIG are starting in February, so please don't hesitate to discuss the opportunity for you or your child to participate!

A 'save-the-date' of March 6-8 has been issued for this years' Mini-Rendezvous and we are asking for your input and involvement in an initial planning session Feb 5 @ 7pm in the mezzanine, as we work towards rejuvenating this great community event!!

Contact Lindsay at 390-2530, teslinrec@teslin.ca, or stop by the VoT office for more information or to get involved with recreation programs.

TESLIN LAKESPIEL, FEBRUARY 15, 2020

In response to the communities' interest in seeing curling return to Teslin, we are planning an outdoor Bonspiel for Saturday February 15, 2020. The 'Lakespiel' will be a family-friendly day out on the lake that will include curling games, large bonfire, a licensed beer garden, a homemade soup contest, and best 'tailgate set-up' contest. The goal is to get the whole community, whether curling or not, out for a fun day on the lake!!

To truly make this a community event we are asking that local businesses, groups and organizations get involved in hosting the Lakespiel!! In addition to encouraging you to come down with your best tail gate set-up and pot of soup - we are seeking support in the following ways:

- cash donation
- door prize donation
- soup contest prize sponsor
- tailgate contest prize sponsor
- volunteering during set-up, take down, day of
- running beer garden/concession

Please let me know how you would like to get involved in this community event so we can start building the buzz together!!!

Thank You!

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.

Casual Administrative & Evening Support

The Teslin Campus is currently seeking people who may be interested in working as administrative and evening support on a casual, on-call basis. We are seeking people with the following skills and abilities:

- Ability to trouble-shoot technical issues with computers, internet, and audiovisual equipment.
- Excellent customer service skills and phone etiquette.
- Excellent interpersonal and communication skills (verbal and written).
- Well-organized, flexible, and reliable.
- Familiarity with distance education equipment is an asset

The purpose of this call is to establish a list of potential casual employees who can provide backup coverage for the campus in case of absence by permanent staff. Getting on the auxiliary on-call list does not guarantee employment.

This is an open call. There is no deadline for submissions

A cover letter and résumé are all that is required to apply. Please address your application to Gord Curran, Coordinator/Instructor, Teslin Campus.

Questions

If you have questions or want to submit your résumé, please contact the Teslin Campus at 390-8800 or gcurran@yukoncollege.yk.ca.
