## **TESLIN ROADS**

All roads are in winter driving conditions, please drive appropriately. During periods of snow please drive with caution because of limited visibility. We don't plow the streets until the snowfall has stopped so please plan accordingly. Slowdown and pull over for snowplows and equipment.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, and Tuesday– Closed to public

Wednesday, Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

Textiles (used clothing & fabrics) are now recyclable so you drop of clean textiles at the recycling center.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

We are working with YG on possibly becoming a regional facility. Will keep you posted as we move forward in the discussions.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 so work has begun on gathering information to apply for our new licence.

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

## **DOG CONTROL**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

We have received numerous complaints about dogs running at large in the Fox Point subdivision we are actively pursuing loose dogs in the area.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

## **RECREATION**

Our recreation department has some great events planned please check the recreation calendar or stop by the recreation center and chat with Lindsay.

Mini Rendezvous is scheduled for March 6-8<sup>th</sup> check out the schedule posted around town or on our website [www.teslin.ca](http://www.teslin.ca)

## **PROJECTS**

### **OCP/Zoning Bylaw**

The OCP has received the first reading by Council and the Zoning bylaw is scheduled to receive the first reading at the March 9<sup>th</sup> Council meeting. The public hearing for both documents is scheduled for March 23<sup>rd</sup> in the recreation complex at 5pm once the public hearing is over Council can not hear any more concerns from the public on both documents so it is important if you have questions/concerns to attend the public hearing or contact the Village of Teslin prior to March 23<sup>rd</sup>.

All OCP/Zoning bylaw documents are on our website: [www.teslin.ca](http://www.teslin.ca) or available in print at the Village of Teslin office.

### **2020 Budget**

The 2020 Capital and O&M budget will be presented to Council at the March 9<sup>th</sup> Council meeting for first and second reading.

## **OTHER**

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

The auditor was here the last week of February to complete the audit for 2019.

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

# February 2020 Recreation Report

February was a busy month in Recreation with a main highlight being the Teslin Lakespiel that took place on Saturday February 15. The Seniors Committee put on a pancake breakfast before we took to the lake for a full day of curling, eating soup and having fun. The Queens of Love ended up beating out TTC Finance Mafia to take home the 1<sup>st</sup> place prize, and the Rolling Stones narrowly defeated the Bad News Beers for the 3<sup>rd</sup> place finish. The Bad News Beers were able to capture a 1<sup>st</sup> place finish in the 'best tailgate set up' competition and Kathryn Porter earned the most votes out of 7 soup entrants to win the 'best soup contest' with her salmon chowder.

Big Thanks to our Teslin Lakespiel prize sponsors - Crime Prevention Funding, North 60 Petro, Thomas Electric, Village of Teslin, TTC Health & Social, Air North, and Tara Easley. Also, a huge thank you to the VoT crew for the tireless work they put in in the weeks leading up to the Lakespiel preparing the ice and surrounding area for the event!! It was awesome.

We took 8 youth to the cabins across the lake for a 3-day Winter Camp February 27-March 1. Thanks to the support of Jordan Marston and TTC staff we were set for a fun weekend filled with outdoor activities such as setting fish net and snares, building winter shelters and sharing stories around the campfire.

Our Youth Ski Program had a steady turnout throughout the month with kids having fun playing games and gaining confidence on skis every Wednesday. This program has been supported by special guests from Sport Yukon and the Recreation and Parks Association of Yukon coming out to help teach the kids. The program will run until Spring Break.

March will be busy with Mini-Rendezvous taking place March 6-8, Watson Lake ski hill trip on March 17, and a trip in to Whitehorse to take in some of the Arctic Winter Games events planned for March 19. We will also be bringing out Splintered Craft to run a Hip-Hop week that will include workshops in song writing, beat making, and song producing over the 2<sup>nd</sup> week of Spring Break, March 24-27.

# February 2020 Recreation Report

The final schedule for Mini-Rendezvous is still being worked on but we are excited about this 49<sup>th</sup> year and returning events to the lake on the Saturday afternoon. We will kick off the weekend at the Rec-Plex with an Adult Social Game Night downstairs, youth movie night upstairs and public skating Friday evening. The Seniors will be putting on a pancake breakfast to start the day off Saturday before we head to the lake for all the mini games and competitions. Saturday will also include the chili contest, community Pot Luck dinner, family games night, and Fireworks show put on by the Yukon Motel. Thank you to those who attended weekly planning sessions and the input and involvement we received to make this event happen. We are already thinking ahead to next year for the big 50<sup>th</sup> Anniversary!!

Contact Lindsay at 390-2530, [teslinrec@teslin.ca](mailto:teslinrec@teslin.ca), or stop by the VoT office for more information or to get involved with recreation programs.

# Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

## What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

**We can all do our part to help keep the wild in wildlife.**

## Casual Administrative & Evening Support

The Teslin Campus is currently seeking people who may be interested in working as administrative and evening support on a casual, on-call basis. We are seeking people with the following skills and abilities:

- Ability to trouble-shoot technical issues with computers, internet, and audiovisual equipment.
- Excellent customer service skills and phone etiquette.
- Excellent interpersonal and communication skills (verbal and written).
- Well-organized, flexible, and reliable.
- Familiarity with distance education equipment is an asset

The purpose of this call is to establish a list of potential casual employees who can provide backup coverage for the campus in case of absence by permanent staff. Getting on the auxiliary on-call list does not guarantee employment.

**This is an open call. There is no deadline for submissions**

A cover letter and résumé are all that is required to apply. Please address your application to Gord Curran, Coordinator/Instructor, Teslin Campus.

### Questions

If you have questions or want to submit your résumé, please contact the Teslin Campus at 390-8800 or [gcurran@yukoncollege.yk.ca](mailto:gcurran@yukoncollege.yk.ca).
