Atlin Community Information Meeting

Atlin Hydro Expansion Project – Transmission Line Feasibility Study

Tlingit Homeland Energy Limited has commenced work on the technical Feasibility Study and environmental and socio-economic baseline studies for the transmission line component of the potential Atlin Hydro Expansion Project.

We would like to update you on the status of the Project, share with you a preliminary design and route for the transmission line, and get your input about values, interests, possible impacts and mitigation relating to the transmission line component.

Refreshments will be provided.

**Wednesday
February 21st
7:00 to 9:00 PM
at the
Atlin Rec Centre**
