At the Canada Day celebration an award was presented to the Brewery Bay Marina Association (BBMA) by the community of Atlin.

This “Outstanding Improvements” award was for improvements made to the Atlin waterfront by the association. This recognition is greatly appreciated.

The expansion and repairs to the public boat ramp at the foot of Rant street have now been completed at a cost to the BBMA of over \$10,000.00. We have received a few donations from community minded individuals but will still have to raise money to pay for this venture. Any help would be appreciated.

All of the boat docks in the Brewery Bay Marina have been replaced. The framing material for the docks was purchased locally and construction was done voluntarily by the ‘*Over the Hill Gang*’, spearheaded by Pat Thompson and Bob Wagner.

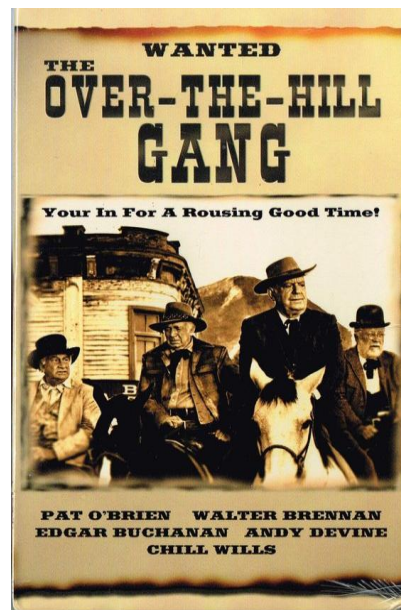

The BBMA was responsible for two other worthwhile projects. George Holman was responsible for the building of a sandy beach adjacent to the marina picnic area. Another project was the construction of the first permanent public toilet facility in Atlin. It is situated at the marina picnic area next to McBride Boulevard.

A number of individuals, companies and organizations deserve recognition for their hard work, loan of equipment, donations, etc. The following list may not be complete and I apologize if I’ve left some out:

- Sheldon Sands
- ATELP (Stewart Simpson)
- Pat Thompson
- Bob’s Contracting
- LDM
- The ‘Over the Hill Gang’
- Atlin Rec. Centre
- Atlin Pet Care (George Holman)

DEAR ATLIN,

Another great Atlin Arts & Music Festival is in the books. 2019 was a blast, but it also was a challenge! Our team was small and the budget tight. We've spent endless hours volunteering besides our regular jobs to make AAMF a success. It is a huuge effort to run an event like this.

Endless hours of volunteering—before, during and after the event—to bring Atlin a wonderful festival and an economic boost. We strongly believe that the festival is a good thing for our little community, which relies on the help of those people, who share our community spirit!

It's true. Not everything went super perfect. We had a few hick-ups. A few not-so-happy folks to face. And we apologize. We all just try our best and want to become better!

I'd like to make people aware, that our team-members are no professional event-coordinators. That we all do this on the side...in our free time, with no to very little pay. Errors happen, things fell through the cracks and mistakes are human. We are sorry, if we've upset anyone—we truly didn't mean to.

But overall, it was a very smooth, cheerful festival. High calibre artists, a wonderful audience, great art, happy kids, a safe and sound weekend for young and old alike. We've seen lots of happy faces and received a lot of positive feedback. These comments keep us going!

THANK YOU ATLIN! Thanks to all the volunteers, sponsors, billets, contributors, helping hands, community makers, artists and visitors! Thank you TRTFN for hosting AAMF on your traditional territory! Together we can achieve so much! Thank you all for your support.

If you have any comments, we would like to hear from you. We believe, that an open communication is key to become a better festival. The good, the not-so-good and the constructive criticism. We also want to encourage everyone, who is interested in making this a better event, to join our team. AAMF needs a community to survive, thrive and improve!

Manu Keggenhoff (President) and your entire AAMF-Team

THANK YOU!!!

We would like to express our indebtedness to the Atlin RCMP Corporal Swetnam, Constable MacDonald, RCMP office staff Dani McNeil, nurse Leanne Wahlstrom and paramedic Scott Cole for their impressive response to our medical emergency while on our kayak trip on Atlin Lake earlier this month.

From the initial in-reach SOS, they wasted no time, and were on site at the bottom of the lake in record time. Their rapid reaction to the call, their professionalism and their effective actions helped prevent a tragic ending to a serious situation.

There are no words to express our gratitude. Thank you from the bottom of our hearts.
