WHEREAS that portion of the said paving project for which the said City was responsible was completed during the year 1959 at a cost to the City of thirty-six thousand and six dollars and eighty-eight cents; and

WHEREAS the said City failed to pass a by-law authorizing the said paving project as a local improvement pursuant to the provisions of the *Municipal Ordinance*, being Chapter 79 of the Revised Ordinances of the Yukon Territory, 1958; and

WHEREAS the Municipal Ordinance, being Chapter 1 of the Ordinances of the Yukon Territory, 1959 (Second Session), makes no provision for the Council of a municipality to pass by-laws authorizing local improvements subsequent to the local improvements being completed; and

WHEREAS the said road paving project is not deemed to be of direct benefit to the municipality at large, except to the extent of six thousand seven hundred and thirteen dollars and nineteen cents of the cost of the said project; and

WHEREAS the Council of the said City are desirous of passing a by-law authorizing the levy and collection of a special frontage rate in respect of each parcel of land in the said City that directly benefits from the road paving project
